Title:	Surf Life Saving Queensland – World Titles IRB (Inflatable Rescue Boat) Motors – For Sale
Document ID:	112.09.2024
Department:	Surf Sports
Audience:	All Surf Life Saving Queensland Clubs
Type:	For Action
Date:	13/09/2024

Surf Life Saving Queensland (SLSQ) are offering Clubs the opportunity to purchase (1) IRB Motor (Tohatsu Make) that has been utilised at the recent Lifesaving World Championships.

SLSQ have eight (8) Motors available for on sale to Clubs. The outboard motor's are complete with Surf Kit and four bladed stainless propellers. The motors are available for pick up from the Gold Coast Regional Office however freight can be arranged at additional cost on request. The normal retail price is \$6450 Including GST and will be discounted to **\$5450.00 Including GST for SLSQ clubs.** Clubs wishing to purchase a motor should express their interest to sport@lifesaving.com.au by close of business Monday the 16th of September.

Enquiry's should be directed to Sturt Hogben on 0419 318329.

Please note that all IRB's used at the Lifesaving World Championships not being used by SLSQ have been returned to Thundercat Inflatables for sale in priority order to Queensland Clubs currently awaiting a purchase of an IRB.

Funding assistance: Clubs are encouraged to use the SLSA BSEF funding for this equipment.

Yours in Lifesaving

Stuart Hogben
