## **OFFICIALS DRESS**

It is imperative that the appearance of competition officials/judges is of a high standard, therefore appointed officials are asked to give a high degree of attention to their quality of uniform.

It is preferred that all officials wear the generic white and blue officials' shirt.

## **HEALTH & WELLBEING**

The welfare of all competitors and officials is of paramount importance and athletes or their parent/guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the event must seek a medical clearance before resuming their normal activities which includes training and competition.

In addition, SLSQ may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and SLSQ are not placed at risk.

SLSQ will be supplying adequate shade tents at all marshalling areas for officials and competitors throughout the event. It is highly recommended that all athletes ensure they carry with them adequate apparel to assist with reduction of sunburn, along with recommended use of sunscreen throughout the day.

Water barrels will be available under the marshalling tents for officials, team managers and competitor use. These barrels are in place for all people to use and fill up their own water bottles. Please note, no drinking cups will be supplied.

## **BEHAVIOUR/MISCONDUCT**

Any misconduct while at the event will not be tolerated. This includes the days leading into the competition and any official social activities following the conclusion of the event. Offending members risk disciplinary action against both them and their Clubs.

Please refer to the current Surf Sports Manual sections *2.27 SLSA Code of Behavior* and *2.28 Abuse/Inappropriate Behavior* and the *Policy 6.5 Member Protection Policy* (available online at the Members Portal).
