WHO WE ARE, WHAT WE DO

VISION AND PURPOSE

We are 36,267 volunteers in 57 Clubs across six branches that save lives with vigilance & service.

Our vision is zero preventable deaths in Queensland public waters – our beaches, waterways and lagoons.

Our purpose is to equip, develop, empower and support our people to deliver vital aquatic rescue and safety services to save lives across Queensland.

We have returned 152,000+ loved ones to their families.

We volunteer over 290,000+ hours annually; patrolling between the Red and Yellow flags, as well as countless more beyond the beach.

Built on tradition, forged out of passion, and focused on the future, SLSQ is recognised as the leading authority on coastal and aquatic safety. We are a volunteer-led, professionally managed organisation.

Across our staff, we are: pilots and crew, administrators, lifeguards, trainers and educators, brand custodians, and community advocates.

PATRON'S MESSAGE

As Governor and Patron, I am proud to provide this foreword for Surf Life Saving Queensland's 2021-22 Annual Report and continue a long tradition of Vice-Regal support.

Since its formation in 1930, Surf Life Saving Queensland (SLSQ) has been dedicated to ensuring the safety of people enjoying Queensland's beautiful beaches; yet while our coastal waters are magnificent, experience shows us that they can also be dangerously unpredictable.

I thank each of SLSQ's 36,000 volunteer members, in the 57 clubs spread along our State's 8,000 km coastline, who are so committed to protecting the lives of others, as well as working to raise beach safety awareness.

While patrolling beaches is its core focus, SLSQ also delivers a wide variety of services, continuously innovating to fulfill its vision and strengthen its commercial activities. This season saw an extension of the partnership to operate vital Queensland Police Service POLAIR aerial capabilities for the next ten years. As "eyes in the sky" this state-of-the-art helicopter service enhances the efforts of police work on the ground, ensuring Queenslanders are kept safer well into the future.

SLSQ also invested in world-class rescue equipment to deliver additional protection to Queensland beachgoers. The new Little Ripper Lifesaver drones monitor marine life and rips from above, as well as spotting swimmers in need of assistance, while the acquisition of Thundercat Inflatables allows SLSQ to control the ongoing manufacturing of these indispensable rescue boats to the highest possible standards.

On behalf of all Queenslanders, I congratulate SLSQ, its Board, staff, volunteers and supporters for another outstanding year, and thank outgoing President Mr Mark Fife OAM for overseeing this significant success.

A handwritten signature in black ink, reading "Jeannette Young".

Her Excellency The Honourable Jeannette Young PSM
Governor of Queensland

PREMIER'S MESSAGE

Surf Life Saving Queensland (SLSQ) is one of our greatest organisations, keeping beachgoers safe and supporting our lifestyle. Queenslanders and visitors can enjoy our beaches and return home safely thanks to the 36,267 SLSQ volunteer members across 57 clubs. SLSQ's dedication and the iconic red and yellow uniforms and flags brings reassurance, and promotes beach and coastal safety awareness.

SLSQ's vision of zero preventable deaths in Queensland's public waters represents its commitment to saving lives and advocating safety.

In the 2021–22 season, this was supported by volunteer lifesavers patrolling Queensland beaches for more than 293,793 hours. The lifeguards and operations teams assisted 3101 swimmers who were in distress, performed 588,993 preventative actions and administered 32,966 first aid treatments. SLSQ's community awareness team engaged with 137,840 people to improve water and surf safety knowledge.

SLSQ's outstanding work has received global recognition with the Life Saving World Championships, hosted by SLSQ for the first time, to be held on the Gold Coast in 2024. The event has not been held in Queensland since 1988.

This devotion is why I am proud to be a Vice Patron of SLSQ and to participate in the Parliamentary Friends of Surf Life Saving Queensland.

This is a wonderful bipartisan initiative open to all Members of Parliament to provide support, and to promote and actively engage with SLSQ.

The Queensland Government's \$30 million SLSQ funding over four years from 2020–21 reiterates our commitment to aquatic safety.

We encourage everyone to put safety first when at the beach or in the water, whether swimming, surfing, diving, boating, fishing or snorkelling.

It is always reassuring to know that SLSQ and its amazing volunteers are on hand and ready to help, so we can enjoy a happy and safe day out.

Annastacia Palaszczuk MP

Premier of Queensland
Minister for Trade

BOARD BIOGRAPHY

Mark Fife OAM
President

Since joining the Surf Life Saving organisation in 1975, Mark Fife has become the epitome of the iconic Aussie surf lifesaver. Mark is a former Club and Branch President, was the Australian Director of Life Saving for five years and is the only person to have been awarded Australian Surf Life Saver of the Year and Volunteer of the Year.

A Life Member of Broadbeach SLSC, South Coast Branch, SLSQ and SLSA, Mark received an OAM as part of the Governor-General's Australia Day Honours List in 2013 and was inducted into the National Hall of Fame in 2015. A father of four, grandfather to nine and a Property Manager for the State Government, you will still find Mark on patrol, training members and officiating at carnivals over the season.

Michael White
Deputy President

Since joining his local surf club almost 30 years ago, Michael has been involved at all levels of the Surf Life Saving movement. Michael is a former Director and Secretary of the Alexandra Headland SLSC and past member of the Surf Life Saving Queensland Judiciary. He has also acted as an Independent Director to a number of community association boards, including the Sunshine Coast Law Association and the Sunshine Coast Sports Federation. He has been a past participant, facilitator and now mentor at Surf Life Saving Australia's National Leadership College for 10 years.

Michael has undertaken almost 2,000 voluntary patrol hours, both as a patrol captain for 15 years and a rescue crewman for the Westpac Lifesaver Helicopter Rescue Service for 10 years. He was an editor of the current edition of the SLSA training manual Public Safety and Aquatic Rescue, and a contributor to the current Bronze Medallion, SRC and Patrol Captain course syllabuses delivered throughout Australia.

In the Surf Sports arena, Michael has competed at the international level, has won 24 national medals, is a seven-time Australian Open Male Champion Lifesaver, was captain of the six-time Australian Open Patrol Competition champion team at Alexandra Headland.

Outside of surf life saving Michael is a barrister at the Sunshine Coast Barristers Chambers.

Michael Kearney
Director of Finance

Michael joined North Kirra SLSC in 2002 and in the years since, has undertaken roles at all levels of the organisation. Michael is an active patrolling member undertaking over 2,000 patrol hours and has held club roles including Club Captain, Chief Training Officer as well as Surf and Supporters Club Treasurer and President. Michael was the Point Danger Branch Director of Life Saving, a member of the Branch Council & Branch Executive, and has held roles on the SLSQ Life Saving Services Committee, Education Panel, Patrol Services Panel and for his service to North Kirra SLSC he was awarded Life Membership in 2021.

Michael is an experienced finance professional, managing and growing a large and complex debt portfolio and managing funds on behalf of multinational investors. Michael has worked in both Australia and the UK, for banks and private debt funds. Michael holds a Bachelor of Science (Property Economics), a Graduate Certificate of Applied Finance and is a graduate of the Australian Institute of Company Directors (GAICD).

Mark Wyer
Director

Over the past 15 years, Mark has held a variety of club roles including Patrol Captain, Radio Officer and Executive Roles of Deputy President and President. Mark has been a driving influence of club development and strategic planning during his time with Emu Park SLSC. Mark has also been a Councilor at Branch Level and was nominated by SLSA as a Masterclass Leader in 2016. Mark is a surf boat rower with Metropolitan Caloundra and is a patrolling member for Mooloolaba SLSC.

Based on the Sunshine Coast, Mark is the Urban Development Lead for Brisbane in a multi-national consultancy (CPEng & RPEQ) and has over 20 years' civil engineering experience in both urban and municipal planning and development. He has a continuing commitment to strategic planning, business development, leadership, and development coordination. Mark is passionate about the opportunity of combining his professional knowledge of strategic planning and project management with volunteer life saving.

Tom Sealy
Director

Tom joined the life saving movement as a nipper in 1998 and has since obtained numerous life saving awards and completed over 1,000 voluntary patrol hours. As the youngest Life Member of Mermaid Beach AEME SLSC he has held various executive roles at his club and assisted in shaping its direction in life saving and youth development endeavours. Tom is a graduate of the SLSA National Leadership College and Masterclass development programs and was selected to represent SLSA at the 2017 Japanese Life Saving Exchange Program.

Previous to his appointment to the board Tom was a member of the SLSQ Membership Services Committee where he made significant contributions to the implementation of the State Membership Sustainability Project. His involvement has spanned strategic oversight of facilities development across the state for both club and state managed 'bricks and mortar'. Tom is a registered architect working for a local property developer in Brisbane and has over fifteen years' experience completing architectural projects locally and interstate. Tom is a graduate of the Australian Institute of Company Directors course.

Leigh Schuch
Director

Leigh joined the Surf Life Saving movement in 1982 at the Moore Park SLSC, where during those early years she took on the role of Chief Instructor.

Having dedicated many years to set up opportunities for the club, the major achievements of Leigh's were around securing grants to further acquisition equipment and the construction of a gear shed and new clubhouse, as well as the co-ordination of Bundaberg Clubs Seahorse Nipper Program.

She has held numerous positions from her role of Club President, Branch President and SLSQ State Councillor, and has a broad understanding of the legal responsibilities of governing bodies in relation to charitable organisations.

Her career roles include Principal Education Officer for Education Queensland as well as Deputy Principal at Bundaberg State High School. As part of her role as Principal Education Officer, Leigh was responsible for liaising with Principals from schools within the Bundaberg Region.

Leigh believes that it is critical for the Surf Life Saving movement to have regional representation at Board level as the way that regional clubs operate is quite different to that of the "south-east corner" of Queensland.

Carol Fox
Independent Director

As a Life Member of Lorne SLSC in Victoria, Carol has been involved in many areas of Surf Life Saving both at a Club and State level including: Patrol Captain, Competitor, Paid beach lifeguard, Club Secretary and Host of the Life Saving Victoria Awards of Excellence.

Carol has over 30 years of collaborating with all levels of Sport, Government agencies (including state emergency services), and Educational Institutions as a workshop facilitator, lecturer, conference speaker and executive coach.

Her career includes roles as a state sport executive officer and a university lecturer at Victoria University in the Human Movement and Sport Administration Degrees. She is Owner/ Director of the Training & Coaching Company Carol Fox & Co.

As the Former President of Women Sport Australia for 5 years, Carol also holds Ambassador roles for Victoria University Women In Sport Research, AFLW She Can Coach Program and the Women Sport Australia Mentor Program.

Brad Russell
Director

Brad and his family have had an involvement in surf life saving over many generations. Brad joined Emu Park as a nipper in 1972 and is currently an active long service member of Maroochydore SLSC.

Brad is a Partner of a leading Australian law firm and a director of an internationally recognised innovative insurance and risk advisory business. In his roles as lawyer, risk and insurance advisor, Brad assists clients in the corporate and not-for-profit sectors in terms of identifying, understanding and managing their risks whether by insurance or other risk management protocol and methods.

Turning adversity into commercial opportunity and innovation are particular skills for which Brad is known. Brad's professional qualifications include being a graduate of the Australian Institute of Company Directors, admitted solicitor of various Supreme Courts as well the Federal and High Court of Australia.

Grant Dearlove
Independent Director

Grant Dearlove is an Executive, Company Director and Lawyer. He is adept at owning, leading, and growing companies at board and 'C-suite' level, combining strategic, business, investment and legal competencies.

Across his career, Grant has owned, worked in, been the Board Director of, and consulted to, professional service firms in the areas of property, franchising, risk, insurance, education, economic development, tourism, M&A, funds management, outsourcing and legal. Grant is currently a director of several companies. He is Executive Chairman of AF Legal Group Ltd (ASX:AFL), a Non-Executive Director of Oliver Hume Corporation, leading wealth manager Forefront Financial Services Pty Ltd, Accoras Limited, Ripper Corporation, and the Central Queensland Primary Health Network.

Grant has held positions as Managing Director Colliers International -Residential for Australia, Managing Director PRDnationwide, National Partner and Head of Growth and Markets of Shine Corporate Limited (ASX:SHJ) and Equity Partner of McInnes Wilson Lawyers.

Grant has a Bachelor of Laws, Master of Laws, Master of Business Administration, a Graduate Diploma in Applied Corporate Governance and is a Graduate of the Institute of Company Directors Course. Grant is a Life Fellow of the Australian Institute of Management and studied leadership of professional service organisations at Harvard University.

In Surf Life Saving Grant is a patrolling member of Brisbane Life Saving and has a long family association through his late Father Jack Dearlove MBE.

PATRONS AND HONOURS

Vale

Surf Life Saving Queensland offers its deepest respect and sympathy to the friends and family of members who have passed away this year. In particular, condolences are extended to the loved ones of our Life Member Theo Eldridge & Helen Irvine who passed away during the 2021/2022 season.

Theo gained his Bronze Medallion in 1953 and dedicated 69 years of service to the organisation. Theo is a Life Member of Cairns SLSC, Port Douglas SLSC and Bribie Island SLSC.

Helen joined lifesaving 1978 dedicating over 30 years to the organisation. For her dedication to lifesaving and surf sports, Helen is a Life Member of Northcliffe & SLSQ South Coast Branch.

Australian Honours

Awarded Queen's Birthday 2022:

Nick Marshall OAM from Nobbys Beach SLSC - Awarded a Medal (OAM) in the General Division for service to surf Life Saving and to the community.

James Small OAM from Tween Heads Coolangatta SLSC - Awarded a Medal (OAM) in the General Division for service to surf Life Saving and to the community.

Keran Maguire OAM from Emu Park SLSC - Awarded a Medal (OAM) in the General Division for service to surf Life Saving and to the community.

Lenore Grice OAM from Maroochydore & Noosa Heads SLSC - Awarded a Medal (OAM) in the General Division for service to surf life saving and to the community.

Life Members 2020/21

Congratulations are extended to John Brennan OAM, Kirsten Phillips and Lenora Grice who were awarded Life Membership of SLSQ at the Annual General Meeting on Friday 24th September 2021 at Surf Rescue House, South Brisbane.

A full list of SLSQ's Life Members can be found on [page 22](#).

Queensland 4101

NOTICE OF SLSQ ANNUAL GENERAL MEETING

The 2021/22 Annual Report will be presented at the 92nd Annual General Meeting of Surf Life Saving Queensland, to be held on Friday 23rd September, 2022 at 6pm, Surf Rescue House, South Brisbane.

PRESIDENT'S REPORT

On Monday, 27 June 2022, LifeSaver45 was tasked to search for a missing bushwalker at Mount Barney. After searching for 20 minutes in rugged terrain, LS45 located the bushwalker immobilised and wedged in some rocks. Rescue crewman, George Levett, was winched down and spent almost five hours with the seriously injured patient. During this time, George treated the wounds, provided oxygen therapy, comforted the patient and relayed vital information to the rescue team. This marathon rescue took more than six and a half hours from take-off to landing back at the hanger.

There are countless other rescue stories from this season that demonstrate the absolute best of our lifesavers – both professional and volunteer. As President of this iconic organisation, I am always in awe of the efforts of our lifesavers and the lengths they will go to in order to save a life.

I highlight the efforts of our Westpac Rescue Helicopter Crew because their skill, professionalism and commitment to the service assisted SLSQ to be awarded the Queensland Government POLAIR contract for a further 10 years. This is an enormous achievement for our organisation and it strengthens our relationship with Queensland Fire and Emergency Services (QFES).

Since SLSQ's inception in 1930, our lifesavers and lifeguards have rescued 152,751 swimmers in distress. In order to ensure our service is sustainable into the future and we can continue saving lives for another 92 years and beyond, we must be constantly evolving and investing in the needs of our organisation.

As such, this season has seen a greater focus on new and innovative technologies that will assist our lifesavers in their efforts to protect beachgoers and the bathing public. Our partnership with the Department of Agriculture and Fisheries on the SharkSmart program to provide drone surveillance to detect dangerous marine creatures has further expanded our life saving capabilities.

Similarly, our recent investment in Little Ripper and Thundercat Inflatables will unlock the potential for SLSQ to provide our members with the best possible life saving equipment and create safer aquatic environments for Queensland beachgoers. The SLSQ Board of Directors is committed to providing our lifesavers with world-class life saving equipment and making the investments needed to build a sustainable and efficient organisation.

I would like to extend my sincere thanks and appreciation to the SLSQ Board of Directors, Council, professional staff and most of all to our volunteer members, for their commitment and effort this past season. It has been a pleasure to work alongside such passionate and dedicated people – all sharing the same vision - to save lives!

From a personal perspective, it has been a tremendous honour to have served as President of SLSQ for the last six seasons. I love this organisation and am immensely proud to have led us through an unprecedented period. There have been some incredible highs throughout my service, and sadly some lows, however I have never lost sight of why we are all part of this organisation. As a very wise man once said to me, "...at the end of the day, it all comes down to the two sticks in the sand."

It is incredibly rewarding to be part of surf life saving, however none of this would have been possible for me without the love and support of my family – especially my wife, Marcia. Marcia – thank you for being my rock and for your unwavering support as I couldn't have done it without you.

As I return to a more active role in my local surf club, I wish the incoming SLSQ Board, Council and Committee Chairs all the best for the future and remind them to never forget that it is our volunteer members that truly make our organisation great.

Mark Fife OAM
President

CEO'S REPORT

Can I begin by thanking our 36,267 Volunteers, whom as our Premier remarked in her opening address, assisted in saving the lives of 3,101 people in distress on our beaches during the season? This wouldn't be at all possible without you and the Queensland State Governments' unwavering support of our organisation.

The time and effort spent through our 57 surf clubs and beyond is immeasurable and altruistic. Our volunteer committees, from Clubs, through Branch and State are a testament to our governance and safety.

While we are steeped in tradition and underpinned by our core values and mission, we are keenly focussed on diversity, equity and inclusion while maintaining a safe and respectful environment for volunteers and SLSQ team members alike. 46% of our membership are female and the Board, myself and my entire team are aligned in ensuring we continually improve gender and protection of our children and youth above all other strategies.

The highlight for me during the year was meeting with the entire State Board and Council, our State Officers and General Managers in reviewing our Strategic Plan. I am a massive believer in congruence through these influencers, and in authentic leadership. I believe that we have demonstrated that real change can come about if forged through effective communication and strong partnerships.

I would like to thank retiring President Mark Fife OAM for his exemplary commitment to our mission – To Save Lives. We have been inspired through your passion Mark, your commitment to our volunteers as you have represented them diligently and always with them in mind during your tenure as President. We look forward to seeing you on the beach with your grandchildren – the next generation of lifesavers from the Fife family, and with the various projects for life saving in which you will remain involved.

Also, to Michael White our Vice President who has decided to step down this year after nine years with SLSQ and the Board. Michael has been our rock and his life saving experience combined with his legal knowledge, made for a formidable ambassador of our great organisation. Michael, you will be greatly missed on our Board, and I wanted to thank you on behalf of our 462 team members and more than 36,000 volunteers you so ably protected and cared about.

2024 is a year that has great significance for SLSQ and our movement. We host the Life saving World Championships that year, kick off our Queensland Government Police Airborne Services contract and renew our four-year Queensland Fire and Emergency Services agreement. We are deeply committed to a sustainable future together as we unlock our full potential in the coming years.

During the year, I had some wonderful experiences and guidance from many of you. I take this important opportunity to call out a few. Ron Rankin AM for his stewardship of our 2024 World Life saving Championships; Mike Kearney, Board member and AFCC Chair - among many successes was the Polair 2024-2034 contract you drove and secured; the Senior Leadership Team for your drive and excellence; our Premier Annastacia Palaszczuk, Minister Mark Ryan and Commissioner Greg Leach for your unwavering support and commitment to Surf Life saving; and to our Board – whom as volunteers yourselves we could not have achieved what we set out to do without you.

I also especially enjoyed collaborating with all the other States during the year and truly appreciate the feedback, guidance and leadership from Adam Weir and John Baker (SLSA CEO and President respectively). Adam, once again, we faced many challenges during the year and it's wonderful knowing we are part of a much bigger family within our Federation – thank you my friend.

I truly look forward to the next few years as we head toward our milestone year of 2024. We are well placed and open minded about our possibilities. We have great ambition whilst staying clearly focussed on our purpose and mission. We will lead now and into the future to ensure our strategic plan is fully realised and I look forward to working with you all.

Yours in Life saving

Dave G. Whimpey
Chief Executive Officer

LIFE SAVING & COMMUNITY REPORT

Only a diverse organisation of multi-skilled, dedicated members can deliver best practice life saving services to the bathing public. The advancement of technology and delivering these extended services is the key priority for Life saving in the future. In Queensland we are fortunate to have some of the best beaches in the world and to provide a high level of service delivery is what we are striving for. In addition to beach patrols, our services were called upon to assist in natural disasters and with the continued use of technology utilised and the focus on upgraded equipment throughout the year. We thank the ongoing valued support of Queensland Fire and Emergency Services; enabling the advancement of life saving services delivered.

Three face to face workshops were carried out at North Queensland and North Barrier Branches for members to attend a Membership, Education, Administration, Life saving and Sport (MEALS) Forum. The focus of these workshops was for volunteer members to be provided with updates and future Life saving plans of services on our beaches along with other departments.

We have built upon our 24/7 emergency response and readiness capabilities through our internal Disaster Management review and initiated training with Queensland Fire and Emergency Services in Disaster Management. SLSA have introduced Flood Response Learning Management System (LMS) to further enhance our members knowledge and skills.

During the season the Wave Runner service to Hervey Bay was reignited and this has enabled our members to further assist the volunteer beach patrol with nine new qualified members to perform Wave Runner patrols.

SLSQ are investigating interoperability projects to strengthen our community capability and capacity to save lives on and off the beach. As part of this project, the State Operations Communications Centre conducted an extended hours trial from December 2021-January 2022. During the extended hours, our volunteers and staff were enabled to support to services during to East Coast Tsunami Warning. SLSQ also had the ability to transition our SOCC staff to work from home during the COVID19 lockdowns without disruptions to its services. This has provided additional support mechanism if and when natural disasters occur.

The complete server upgrade was carried out to ensure minimal disruptions to the communication system along with the investment of a generator system as a back-up situated at the SOCC for extreme disasters, our SOCC can still continue supporting all our services.

A series of unprecedented floods occurred in South East Queensland, Northern New South Wales and Wide Bay Capricorn Regions from December 2021 and continued through to March 2022, where both volunteers and staff were called upon to render assistance. 87 volunteers and staff responded to 730 call outs and dedicated 1232 volunteer hours to assist. The unprecedented weather conditions during December and January saw Queensland beaches closed for a total of 1293 hours due to dangerous surf, compared with 474 hours for the previous year.

We greatly appreciate the more than 15 years of support from the Cory Charitable Foundation, that this year, saw 15 clubs in Northern Regions provided with Marine Stinger Kits; valuable in maintaining public safety. 57 Clubs and six Branches were supported by the provision of vital life saving equipment for beach patrols through QFES Club Sustainability Funding.

Community Awareness

Our 'Surf Skills for over 50's' program, is designed to increase participants knowledge of local beaches whilst greatly improving confidence in understanding and managing various types of surf conditions. The program covers rip identification and survival, ocean swimming techniques, wading and body surfing, basic rescue techniques, CPR and emergency care. The program also incorporates a social morning tea whereby participants are encouraged to become further involved in SLSA programs such as Silver Salties or involvement in their local Surf Life Saving Club as Bronze or Award members.

Our 1,213 Community Awareness presentations engaged 137,840 members of the public. SLSQ is committed to developing and evolving strategic programs and educational resources designed to deliver our vital beach safety messages to all members of the community.

Throughout 2021/22 SLSQ's lifesavers and lifeguards combined to perform 32,966 first aid treatments, 588,993 preventative actions and, most importantly, saved 3,101 lives through in-water rescues.

SLSQ remains focused on implementing new operational and educational initiatives to increase protection of beachgoers and swimmers across Queensland. This includes state-wide and targeted community awareness programs, increased protection at identified black spots, and the extension of life saving services.

COMMERCIAL REPORT

Our RTO services have continued to provide high level services to the membership and the public alike. In the membership area the RTO has upgraded the Certificate II in Public Safety – Aquatic Rescue, with the latest First Aid unit of competency, meaning members and lifeguards will receive training in the most up to date techniques when it comes to emergency care. The same applies to all our trainers and assessors which equates to the patrols being capable of protecting beach goers with the best first responder care applicable at the time.

A new patrol captains' course has been reviewed and trialled awaiting release early next season; again, our lifesavers and lifeguards will have the latest techniques when managing our beaches. At the end of the year SLSQ have issued, 1,431 Qualification/Skill Sets. 40,280 units of competency. 36 907 new Surf Awards (to Club Members and Lifeguards); making it one of the busiest RTO's in Queensland.

It was a big year for the Aviation business of SLSQ, with the announcement that SLSQ was the winning provider to deliver Airborne Law Enforcement services for the Queensland Government Police Service for the period 2024 to 2034. This ten-year obligation will require three brand new Bell 429 helicopters to fulfil the contract and an increase in staffing including pilots and engineers, to ensure the delivery of the service. This new obligations follows the two-year extension of the current service which saw the purchase of two second hand Airbus EC135's to meet the necessary requirements. This meant the sale of the two BO105's which have serviced the POLAIR needs for the past 10 years.

The WLRHS has completed all patrols over the past twelve months and a replacement for Lifesaver 46 is due to commence operation at the start of next season which will give the service two EC-135, WLRHS aircraft that are winch capable and cover the Gold and Sunshine Coasts respectively. The WLRHS completed over 470 hours of flying over the season,

patrolled 10,164 beaches, completed 275.7 patrol hours, executed over 70 missions, was involved in 43 search incidents and assisted with the rescue of 28 people.

With more than 350 lifeguards, totalling an impressive 1.84 million hours of experience, SLSQ is the largest provider of professional lifeguard services in Queensland. Thank you to our amazing lifeguards who deliver vital and world-class aquatic safety services to 18 local councils included are over 80 separate locations across the state, with many of these sites actively patrolled 365 days of the year, supporting SLSQ's overarching commitment to preserving and protecting life. Our lifeguard service continues to demonstrate we are the best in class, with the renewal of several contracts including Southbank, Morton Bay Regional Council and the Redlands City Council. Gregory Cahill with appointed General Manager of the Lifeguards & Government Programs service in July 2022, recognising his consistently high levels of operational excellence across the service.

SLSQ continue to partner with Department of Agriculture and Fisheries to deliver the Sharksmart Drone Trial at 5 locations and was recently awarded a grant by the Department to deliver the program until June 2025. While the trial focuses on data collection for research, it is only delivered at patrolled beaches and provides a supporting and supplementary service to our life saving and lifeguard patrols. The new grant will see the expansion of the program to 10 beaches, flying every weekend and school holidays over the three-year period.

SPORT REPORT

The success and uptake of the revamped State Endurance Championships in September 2021 kicked off an action-packed schedule of events for the 2021-2022 season that set the tone for increased participation by 13.1%. Innovation was adopted on and off the beach, with the maximisation of digital media around key events, the embedding of LiveHeats technology across the State, making livestreaming the norm culminating at the State IRB Championships in July; reaching almost 8000 views. With member experience, recruitment, retention, participation and engagement underpinning the facilitation of our carnival calendar, brought to life the key cornerstones of our 2021-23 sport strategy, these milestones have only been achieved due to the vision, tireless energy and cohesion of our key sports stakeholders. These include the Sports Committee, Officials, Coaches, Branches, SLSQ Board Members and staff, in addition to the formation and development of strong relationships with our key privateers operating in the surf sports event sector.

Visit Sunshine Coast and Sunshine Coast Council came on board as the host region for the 2022 and 2023 State Championships and it was exciting to have the State Championships return to the Sunshine Coast after the 2020 competition was cancelled due to COVID-19. The Youth and Senior carnivals were set to attract more than 8,000 athletes and spectators combined. The festival zone and entertainment precinct with market stalls, 'Big Screen', roving entertainment, athlete meet and greets and live music were unveiled for the Thursday night opening of the Youth Championships. However the inclement weather sadly forced the cancellation of all events scheduled across both championships from the Friday of Nipper State. With that in mind, I would like to acknowledge the timely and sound decision making processes and communication of the Safety and Carnival committees in what was a very trying time. Having the courage and expertise to make key decisions on member safety in such a timely manner led to thousands of our members returning home safely or changing their travel plans. This had several positive safety and financial outcomes; showcasing the capability and capacity to run our sports events dynamically, consistently, efficiently and effectively.

The Planning of the Life saving World Championships in 2024 is progressing brilliantly towards the Vision: 'To host the most inclusive, inspiring and best attended Life Saving World Championships. The newly established Local Organising Committee is primed:

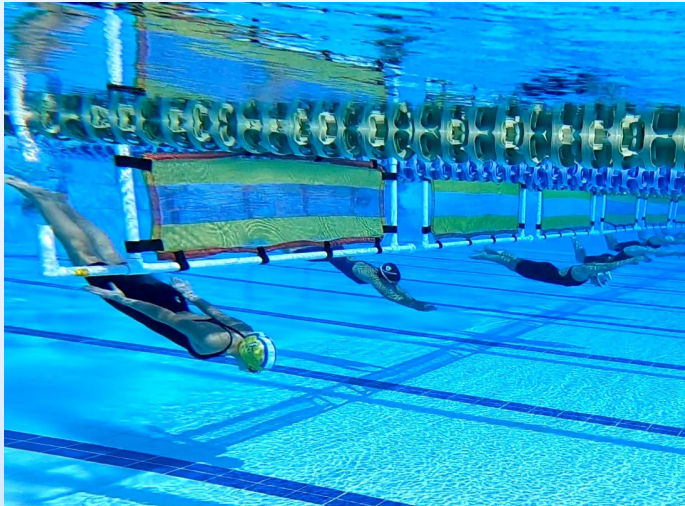

- Enhance and support the ILS mission – 'The Safety and Preservation of human life in the aquatic environment'
- To provide a celebration of life saving that is inspiring and inclusive
- To host LWC 2024 at World class life saving competition venues
- To assist a record number of ILS Member nations to attend the LWC 2024
- To engage the local community and attract spectators
- To create opportunities to generate both social and economic benefits
- To create legacies for ILS, SLSQ, Queensland and Gold Coast Tourism
- To provide strong leadership to ensure that LWC 2024 is successful and viable

The SLSQ Staff with key volunteers continue to focus on the development and delivery of a broad range of events to cater for all members regardless of age, ability, and location.

With the extensive work that has led to the development of the 2022-2023 carnival calendar leveraging input from Athletes, Officials, Coaches, Clubs, Branches, Privateers and the National body, SLSQ is proud to have formed an annual offering of events that is research and data driven while being innovative, athlete centric in nature and progressive throughout the season.

The sporting arm stands poised and motivated about commencing this next edition of our Summer and Winter schedules in what we believe will be our biggest and best yet.

MEMBERSHIP & ETHICAL STANDARDS **REPORT**

MEMBERSHIP

A major focus for Membership is to ensure connectivity with volunteers through the provision of resources, training and development opportunities. This, coupled with a strong commitment to the development of younger members as next generation lifesavers has provided a platform for strategic vision on membership sustainability.

We have developed a 'goal orientated focus' as we streamlined our planning requirements for the many projects that Membership work on. Our basis of goal attainment in membership projects has been attained via calculated project planning linked with timely and effective operational service delivery.

The SLSQ Strategic Plan continues to provide the guiding direction for our achievements throughout the past 12 months.

Some of the division's achievements are reflected in the following accomplished initiatives:

1. Review of the Recruitment/Retention/Pathways programs and initiatives
2. Providing a shared vision based on supporting valued members to the rewarding challenges of community service and emergency response providers.
3. Focus on Volunteer Resourcing linked to high level risk, such as Child Safe and Beach Operational requirements
4. Orientation and induction support
5. Increased funding approved for branches to run Youth Programs
6. Increased work on Volunteer Connectivity via an upgrade and mapping of SLSQ App, creation of App for Youth Involvement Program and future focus on member experience to ensure more positive experience (members intranet)
7. Continued emphasis on Development programs for youth members

ETHICAL STANDARDS

In 2021 a review of the Surf Life Saving Queensland undertook a survey of members in relation to Safe & Respectful Environments. This showcased the need for the introduction of a structured unit in the Ethical Standards field to align with other sporting bodies, organisations, government requirements and most importantly community and member expectations.

An Ethical Standards platform is essential to create and ensure our decisions and actions are both ethical and in keeping with societal expectations.

The role of Ethical Standards will be underpinned by the 7 key pillars of the SLSQ Safe and Respectful Environments survey.

To enable SLSQ to deliver safe and respectful environments for all, SLSQ recognised that it was essential to ensure safe and respectful approaches are in place for the prevention and handling of issues such as bullying, harassment, discrimination and child safety.

SLSQ recognises there are incidences of unacceptable behaviour in our past and by listening and learning from our shared experiences, SLSQ is committed to action that will deliver a framework for the organisation that will reflect managing a community-based emergency service; not simply in an effective and efficient manner, but in compliance with community expectations based on integrity and transparency.

SLSQ, as a contemporary community service provider, are committed to the implementation of the SLSQ Safe & Respectful Environment strategies and the Ethical Standards Department will be working with key stakeholders and external consultants/experts to implement this on behalf of the membership.

PEOPLE AND CULTURE **REPORT**

Surf Life Saving Queensland employees more than 500 people, across various facets of the business; lifeguards, pilots, marketing, community awareness, life saving, sport, finance, administration, education, people & culture, risk and membership.

In the third year of our turn around, we moved our focus to our technology implementation project. Employment Hero was released in July 2022. This system combines HRIS and payroll allowing for a seamless transition between employee data and the pay system. It allows for thorough reporting and greater security around employee records, in addition to keeping our geographically diverse team linked through regular updates and “shout outs” on the Company Feed.

At SLSQ we have been proactive in moving toward modern employee best practice. We have implemented and actively encouraged flexible working, remote working, use of our our Paid Parental Leave Policy and our Health and Wellbeing Policy. Allowing SLSQ to attract and retain staff whilst meeting their expectations in a post Covid world.

We are analysing a number of areas within our workforce in order to create a meaningful Diversity, Equity & Inclusion (DE&I) program, which delivers substantial change and impact. We are pleased to hold a workforce with a gender balance of 49% Female. Tracking the pathways and promotion of women is a key goal. Currently Women in leadership positions sits at 39.1% with the Senior Leadership team comprising 37.5% Female and our Senior Management Group at 40% Female.

Our Diversity, Equity and Inclusion (DE&I) framework will focus on Belonging. At SLSQ we want to delve deeper than inclusion alone and we will seek to demonstrate that each individual is valued for their unique lived experience and perspective.

As a contribution to our Health and Wellbeing framework, we are proud to have released a Fit & Well Policy whereby employees receive a financial reimbursement upon providing a receipt for the purchase of a health and wellness related item or activity. Our intent is to provide support for mental and physical wellbeing while recognising that our employees have individual needs and interests when it comes to their wellbeing; so we left it for them to decide what suits their needs best.

As always, employee engagement is a key focus. We will continue to evolve, investigate and promote change where required in order to achieve our goal of an 80% engagement score.

Crystal Evans

General Manager – People & Culture

49%

OF OUR WORKFORCE IS FEMALE

BUSINESS SERVICES

Financial Services

The business services division is represented by Corporate Governance, Finance, Risk, IT & Communications, Administration and Facilities.

Firstly, I'd like to acknowledge and thank the business services team for their positive contribution during the last year. We have had many projects on the go whilst still conducting our business as usual operations to a high standard; and all working together towards continuous improvement. I thank you for your contribution and look forward to continuing to support the development of new skills; particularly around the financial reporting space as we work to embrace new technologies.

We have partnered with our GM's to unlock value in their portfolios and to assist with reporting and managing corporate risk.

Through the Aviation division, I was pleased to be involved in the exit strategy to transition from the aged fleet of BO105 aircraft into the two recently acquired EC135 helicopters for the next two years as part of POLAIR's airborne law enforcement strategy. I was also proud to be part of the team that secured the ten-year airbourne law enforcement contract with the Queensland Police Service, running from 2024-34.

This was the first full financial year following the part acquisition of Ripper Corporation, SLSQ's life saving drone technology business. As their brand and reputation grew nationally we have provided support towards meeting growth and resource requirements.

We have engaged with both Clubs and Branches during the year, providing financial oversight and support as and when required. We have become increasingly involved in initiatives relating to club or branch facilities and we see this continuing in the short to medium term and in improving the insurance program.

Moving forward we look to unlock further value through our technology solutions partnering and providing more streamlined and exception-based reporting to internal stakeholders.

Finally, the performance of our organisation has again exceeded expectations by delivery a strong operating profit for 2022. It has been a successful and rewarding year across the organisation, thanks to our people and a focus on growing revenue for a more sustainable future.

Operations Risk Management

The Board engages with risk flexibly in accordance with a Risk Management Framework comprised of four components; namely Governance (Assurance), People, Engagement and Systems.

SLSQ risk management practices comply with an extensive number of Acts, Regulations and Australian and New Zealand International Standards. During the year a Governance, Risk, Compliance and Incident management system (GRCI) was identified and implementation has commenced. The GCRI platform will bring together systems and processes into a single integrated, centralised resource. It will enhance our ability to develop proactive approaches to risk and safety management and enable us to measure and improve upon our compliance to meet new standards and regulations.

Key Achievements though the year include:

- Quality Management Systems - Comprehensive review and updating of our audit forms and schedule through our audit management system iAuditor.
- Risk Management – through staff and volunteer engagement, implementing escalation models and improving risk reporting systems across all levels.
- Safety Management – identification and addressing of critical risk and safety hazards through the provision of professional guidance from COVID-19 to event and sport management. Several Safety Alerts and Safety Bulletins were issued to address any high-level risks identified in operations. Project commenced to enhance safety management systems.
- Assurance Management – undertook detailed analysis of SLSQ systems, processes and people functions through reviews and audits of the operations quality system and the insurance portfolio (including specific Club activities to measure and improve our compliance to standards and regulation).

RESPECT BUT CHALLENGE QUO TO BEST
TRADITIONS, THE STATUS BE IN CLASS

CORPORATE GOVERNANCE

With a membership base of 36,267, SLSQ is one of the largest volunteer-based community organisations in Queensland. Control of SLSQ is vested in the Board of Directors which is accountable to the State Council which, in turn, represents the members.

Role of the State Council

The State Council is comprised of the SLSQ President and the six Branch Presidents. As the voting members of SLSQ, its duties include electing the Board and Life Members, and approving changes to the constitution. They also represent the interests of six branches and ultimately the clubs. The council met on four occasions throughout the year.

Role of the Board and Committees

SLSQ's Board and Committee structure is critical to ensuring volunteer representation in key decisions and strategic planning. The various committees outlined on page 21 are established by the Board to assist SLSQ in the operational management of the volunteers. Where necessary, the Board can establish special purpose committees and panels to oversee the management of projects, programs or other initiatives.

The primary function of the Board is to govern and provide leadership to SLSQ, members, affiliated branches and clubs in accordance with the aims and strategic objectives of SLSQ, its constitution, and the law. The Board is responsible for acting on all issues in accordance with SLSQ's objectives. It operates for the benefit of SLSQ, its members and the wider Queensland community.

Role of Directors and Management

SLSQ's CEO is tasked with managing the day-to-day business requirements of SLSQ, under the direction of the Board. The President is the nominated head of SLSQ and the SLSQ Board is responsible for the appointment of a CEO to manage and administer the organisation. The CEO is accountable to the Board and reports to the Board at each meeting. The CEO ensures the resolutions of the Board are properly and efficiently carried out, and transacts all business of SLSQ between Board meetings and general meetings of the Council.

Board Composition

SLSQ's Board comprises the President, the Deputy President, the Director of Finance, four Directors, up to two Independent Directors, the Company Secretary and the CEO, who is a non-voting member. A Director must be a member of SLSQ, and Independent Directors may or may not be individual members of SLSQ.

Board Meetings and access to Management

The Board meets as often as is deemed necessary in every calendar year for the dispatch of business. At any time, five Directors may ask the CEO to convene a meeting of the Board and, subject to SLSQ's Constitution, questions at any meeting are decided by a majority of votes by the Board of Directors.

Code of Conduct

Nominees for Director positions are required to agree to SLSQ's 'Code of Conduct' for Directors. Candidates must sign their acceptance to comply with this code on their nomination form. The Code of Conduct is contained within the Directors' Handbook, which is provided to all Directors upon their election at the annual general meeting.

Independence

At the commencement of each Board meeting, the Chair asks for Directors to declare conflicts of interest in any agenda items.

The Council may elect up to two Independent Directors each year. Nominees for these positions shall be endorsed and recommended to the Council by the Board.

Independent Advice

SLSQ's Board and management are assisted in aspects of its operations with external advice.

Auditors, Bentley, conduct an annual audit, providing the Board with independent assurance and advice on financial management matters.

Other consultants engaged by SLSQ in 2021/22 include:

- AccessEAP (Employee Welfare and Support)
- AEP Consulting (HR Consulting Services)
- Aviation Services (Aviation Operations)
- Beach & Surf Consulting Services (Media Services)
- Clubs Queensland (Licensed Club Operations)
- Community Sports Management (Government Liaison)
- Inner Circle Advisory Pty Ltd (Strategic Advisory)
- Lex Sportiva (Legal Services)
- Marsh (Insurance Advice and Services)
- McCullough Robertson Lawyers (Legal Services)
- MOQ digital (IT Services)

Surfers Paradise SLSC

Volunteer Coach of the Year

Trent Rowe
Northcliffe SLSC

Professional Coach of the Year

James Porter
Alexandra Headland SLSC

Junior Athlete of the Year

Byron Oliphant
Alexandra Headland SLSC

Youth Athlete of the Year

Claudia Bailey
Northcliffe SLSC

Masters Athlete of the Year

Penny-Anne Burgess
Mermaid Beach AEME SLSC

Ron 'Boppo' Tallon OAM Official of the Year

Melinda Jackson
Northcliffe SLSC

Surf Sport Team Manager of the Year

Kane Pilkington
Alexandra Headland SLSC

Surf Sport Team of the Year

Open Male Taplin Relay
Alexandra Headland SLSC

Operations Support Person of the Year

Anita Moore
Alexandra Headland SLSC

Community Education Program of the year

QA Lifesavers Partnership
Mermaid Beach AEME SLSC

Innovation Award

Currumbin's Surf Rescue Education Portal
Currumbin SLSC

Clive Hammond Medal (GOLD - Overall Winner)

Paul O'Shea
Currumbin SLSC

President's Cup

Alexandra Headland SLSC & Maroochydore SLSC

U14 Junior Surf Lifesaver of the Year

Alastair McConnell
Coolangatta SLSC

Kaitlin Dobinson
Met. Caloundra SLSC

Eden Cini
Etty Bay SLSC

Sophie Jones
Picnic Bay SLSC

Kayla Berthelsen
Elliott Heads SLSC

Molly Hutchinson
Point Lookout SLSC

Clive Hammond Medal (Silver)

Joshua Grant
Mackay SLSC

Clive Hammond Medal (Silver)

Alexander Rogers
Cairns SLSC

Clive Hammond Medal (Silver)

Paul O'Shea
Currumbin SLSC

Clive Hammond Medal (Silver)

Greg Foster
Southport SLSC

Clive Hammond Medal (Silver)

John Roderick
Coolum Beach SLSC

Clive Hammond Medal (Silver)

Kevin West
Hervey Bay SLSC

Operations Support Person of the Year Nominees

Anita Moore
Alexandra Headland SLSC

Grahame Long
Surfers Paradise SLSC

Andrew Eason
Hervey Bay SLSC

Operations Support Person of the Year - Sunshine Coast

Anita Moore
Alexandra Headlands SLSC

Operations Support Person of the Year - Gold Coast

Grahame Long
Surfers Paradise SLSC

Operations Support Person of the Year - Wide Bay Caprican

Andrew Eason
Hervey Bay SLSC

Duty Officer of the year Sunshine Coast

Guy Tanner
Mudjimba SLSC

Duty Officer of the year Gold Coast

Peter Whitty
Burleigh Heads Mowbray Park SLSC

Surfcom Operator of the year - Sunshine Coast

Josh Moore
Maroochydore SLSC

Surfcom Operator of the Year - Gold Coast

Jarrold Salt
Coochiemudlo Island SLSC

Rescue Water Craft Area 3 - Pacific SLSC

Geoff Walton
Palm Beach SLSC

Rescue Water Craft Area 4 - Burleigh Heads

Mowbray Park SLSC
Lyn Hammett
Burleigh Heads Mowbray Park SLSC

Rescue Water Craft Area 5 - Southport Broadwater

Dylan Chapman
Miami Beach SLSC

Rescue Water Craft Area 6 - Southport Broadwater

Alex McMartin
Southport SLSC

Rescue Water Craft Area 8 - Point Lookout SLSC

Gavin Kugler
Point Lookout SLSC

Rescue Water Craft Area 12 - Caloundra SLSC

Brent England
Dicky Beach SLSC

Rescue Water Craft Area 14 - Sunshine Coast Branch

Stephen Lucas
Maroochydore SLSC

Rescue Water Craft Area 15 - Sunshine Coast Branch

Ian Warburton
Mooloolaba SLSC

Rescue Water Craft Area 16 - Maroolia SLSC

Guy Tanner
Mudjimba SLSC

Rescue Water Craft Area 17 - Coolum SLSC

Chris Atkinson
Coolum Beach SLSC

Rescue Water Craft Area 18 - Noosa Heads SLSC

Russell Quinn
Sunshine Beach SLSC

Rescue Water Craft Area 19 - Noosa Heads SLSC

Ricky Halkett
Noosa Heads SLSC

2021 North Queensland Championships

Not Awarded due to COVID lockdown

2021 Queensland Pool Rescue Championships

Northcliffe SLSC

Acquisition of subsidiary with NCI	-	-	980	980
Balance at 30 June 2021	30,761	1,641	672	33,074

(a) The financial asset reserve records the revaluation of financial assets, classified as fair value through other comprehensive income.

The above consolidated statement of changes in equity should be read in conjunction with the

Consolidated Statement of Cash Flows for the Period ended 30 June 2022

	Note	30 Jun 2022 \$'000	30 Jun 2021 \$'000
Cash Flows from Operating Activities			
Receipts in the course of operations		44,502	44,141
Receipts from the Surf Life Saving Rescue Fund		-	6,970
Payments in the course of operations		(35,097)	(35,590)
Dividends received		891	124
Interest income		210	51
Finance costs paid		(281)	(106)
Net cash generated/(used in) from operating activities	4.1	10,225	15,590
Cash Flows from Investing Activities			
Proceeds from sale of property, plant and equipment		-	77
Purchase of property, plant and equipment		(15,910)	(5,428)
Acquisition of business (net of cash acquired)	4.2	-	(255)
Additional contribution Ripper Corporation		250	-
Payment for investments in equity instruments at fair value at other comprehensive income		(20,788)	(23,901)
Deposit helicopter acquisition		-	(352)
Proceeds from withdrawal of financial assets		20,850	11,460
Net cash generated/(used in) from investing activities		(15,598)	(18,399)
Cash Flows from Financing Activities			
Repayment of leases		(1,102)	(736)
Proceeds from borrowings		6,300	5,500
Repayment of borrowings		(47)	(45)
Net cash (used in)/generated from financing activities		5,151	4,719
Net increase/(decrease) in Cash and Cash Equivalents		(222)	1,910
Cash and cash equivalents at the beginning of the financial period		8,091	6,181
Cash and cash equivalents at the end of the financial period	4	7,869	8,091

The above consolidated statement of cash flows should be read in conjunction with the accompanying notes.

Notes to and forming part of the Consolidated Financial Statements for the Period Ended 30 June 2022

Surf Life Saving Queensland Limited - trading as Surf Life Saving Queensland (the 'Company') - is a public company limited by guarantee, incorporated and domiciled in Australia under the *Corporations Act 2001*.

The Company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The Directors' present the consolidated financial statements of the Group, comprising Surf Life Saving Queensland (SLSQ) and its controlled entities for the period ended 30 June 2022.

The principal activities of the Company were that of the state's aquatic rescue authority. Our organisation encompasses several diverse arms – lifesaving and lifeguarding services, community education, membership services, aviation services, surf sports, fundraising and commercial training – but they all contribute to one overarching purpose to save lives. No significant changes in the nature of those activities occurred during the period.

The financial report was authorised for issue by the Directors on the date shown in the Directors' Declaration.

Significant changes in state of affairs

No significant changes in state of affairs of the Group occurred during the period.

Note 1: Summary of significant accounting policies

(a) Basis of preparation

This general purpose financial report has been prepared in accordance with Australian Accounting Standards – Simplified Disclosures of the Australian Accounting Standards Board for distribution to the members to fulfil the financial reporting requirements under the *Australian Charities and Not-for-profits Commission Act 2012*.

Australian Accounting Standards set out accounting policies that the Australian Accounting Standards Board has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for cashflow information have been prepared on an accrual basis of accounting and are based on historical costs and the going concern assumption. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies adopted are consistent with those of the previous period.

The financial report is presented in Australian dollars (\$).

Foreign currency transactions are translated into Australian dollars using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at financial period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

The Company is a kind referred to in the ASIC Corporations (Rounding in Financial Reports) Instrument 2016/191 and in accordance with that instrument, amounts in the financial report have been rounded to the nearest thousand dollars, unless otherwise stated.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

(b) New accounting standards and interpretations

(i) *Changes in accounting policies, new and amended standards and interpretations*

The Company has adopted all of the new, revised or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period, including those discussed below:

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods of the Company.

Initial adoption of AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities

The Company has adopted AASB106: General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities for the first time this year. This standard, which sets out a new separate disclosure Standard to be applied to all entities reporting under Tier 2 of the differential reporting framework in AASB 1053: Application of Tiers of Australian Accounting, replaces the previous Reduced Disclosure Requirements (RDR) framework. The change from RDR to Simplified Disclosures did not have any significant impact on the disclosures presented by the Company in the report.

(c) Principles of Consolidation

The consolidated financial statements incorporate all of the assets, liabilities and results of the parent (Surf Life Saving Queensland) and all of the controlled entities. The parent controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. A list of the controlled entities is provided in Note 17.

The assets, liabilities and results of all subsidiaries are fully consolidated into the financial statements of the Group from the date on which control is obtained by the Group. The consolidation of a subsidiary is discontinued from the date that control ceases. Intercompany transactions, balances and unrealised gains or losses on transactions between group entities are fully eliminated on consolidation. Accounting policies of subsidiaries have been changed and adjustments made where necessary to ensure uniformity of the accounting policies adopted by the Group.

(d) Current versus non-current classification

The Group presents assets and liabilities in the statement of financial position based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the Group's normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is current when:

- It is expected to be settled in the Group's normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other assets and liabilities as non-current.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

(e) Cash and cash equivalents

Cash and short-term deposits in the statement of financial position comprise cash at banks, cash on hand and short-term deposits with a maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits as defined above, net of outstanding bank overdrafts if applicable.

(f) Financial instruments

Initial recognition and measurement

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Trade receivables are initially measured at the transaction price if the trade receivables do not contain a significant financing component.

Classification and subsequent measurement

Financial liabilities

Financial liabilities, which consist of trade and other payables and lease liabilities, are subsequently measured at amortised cost.

Financial assets

Financial assets, consist of trade and other receivables and equity and debt/hybrid instrument investments.

Trade and other receivables, which generally have thirty day terms, are subsequently measured at amortised cost less an allowance for impairment.

For equity instruments not held for trading, or not contingent consideration recognised by an acquirer in a business combination to which AASB 3 applies; at initial recognition, the Group may elect to make an irrevocable election to measure the equity instruments in other comprehensive income (OCI), while the dividend revenue received on underlying equity instruments will still be recognised in profit or loss.

The Group classifies the following investments as financial assets at fair value through profit or loss (FVPL):

- Investments that are held for trading; and
- Equity investments for which the entity has not elected to recognise fair value gains and losses through other comprehensive income (OCI).

Derecognition

Derecognition of financial liabilities

A liability is derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- The right to receive cash flows from the asset has expired or been transferred;
- All risk and rewards of ownership of the asset have been substantially transferred; and
- The Group no longer controls the asset (i.e. it has no practical ability to make unilateral decisions to sell the asset to a third party).

Derecognition of financial liabilities

A liability is derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- The right to receive cash flows from the asset has expired or been transferred;
- All risk and rewards of ownership of the asset have been substantially transferred; and
- The Group no longer controls the asset (i.e. it has no practical ability to make unilateral decisions to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss. On derecognition of a financial asset at fair value through profit or loss, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

On derecognition of an investment in equity which was elected to be classified under fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to retained earnings.

Impairment

The Group recognises a loss allowance for expected credit losses.

The Group uses the simplified approach to impairment, as applicable under AASB 9: Financial Instruments. The simplified approach does not require tracking of changes in credit risk at every reporting period, but instead requires the recognition of lifetime expected credit loss at all times. This approach is applicable to trade receivables.

In measuring the expected credit loss, a provision matrix for trade receivables is used taking into consideration various data to get to an expected credit loss.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

(g) Property, plant and equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and any accumulated impairment losses. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

Land and buildings are measured at cost less accumulated depreciation on buildings and impairment losses recognised.

Depreciation is calculated over the estimated useful life of the assets as follows:

Class of Assets	Depreciation method	Depreciation Rate / useful life
Buildings	Straight-Line	2.50%
Leasehold improvements	Straight-Line	Life of associated lease
Plant and equipment – Other	Straight-Line	10%-40%
Plant and equipment – Helicopter (components)	Usage – operating hours	1,000 – 10,840 hours
Plant and equipment – Helicopter (other)	Straight-Line	6.67%-100%

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial period end and adjusted prospectively, if appropriate.

Impairment

The carrying values of property, plant and equipment are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired. The recoverable amount of property, plant and equipment is the higher of fair value less costs to sell and value in use.

Impairment exists when the carrying value of an asset or cash exceeds its estimated recoverable amount. The asset is then written down to its recoverable amount. Impairment losses, if any, are recognised in the statement of comprehensive income as a separate line item.

Derecognition and disposal

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. Any gain or loss arising on derecognition of the asset is included in profit or loss in the period the asset is derecognised.

(h) Intangible assets

Intellectual property acquired outside a business combination is recognised at cost. Intangible assets acquired in a business combination are recognised separately from goodwill and capitalised at fair value as at the date of acquisition.

Acquired in a business combination and or separately

The Group's major intangible assets is intellectual property.

The useful lives of these intangible assets are assessed, and the asset is amortised over its useful life on a straight-line basis.

Intangible assets are tested for impairment where an indicator of impairment exists. Useful lives are also examined on an annual basis and adjustments, where applicable, are made on a prospective basis.

Goodwill

Goodwill is initially recorded at the moment by which the purchase consideration for a business combination exceeds the fair value attributed to its nets assets at date of acquisition. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is not amortised.

Goodwill is tested annually for impairment, or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific assets to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

(i) Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter.

The consolidated entity has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of twelve months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

If ownership of the right-of-use asset is transferred to the Group, then the right-of-use asset is depreciated over its useful life.

(j) Employee benefit liabilities

Short-term benefits

Liabilities for salaries and wages, including annual leave and long service leave expected to be settled wholly within twelve months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term benefits

The liability for long service leave not expected to be settled within twelve months of the reporting date are measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to the expected future wage and salary levels, experience of employee departures, and periods of service. Expected future payments are discounted using market yields at the reporting date on corporate bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

(k) Lease liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the consolidated entity's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in a rate used; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

(l) Revenue recognition

Revenue is recognised at an amount that reflects the consideration to which the Group is expected to be entitled in exchange for transferring goods or services to a customer.

Revenue is recognised at a point in time, when the transfer of promised goods or services to customers has been delivered.

Other revenue is recognised when the right to receive the revenue has been established.

All revenue is stated net of the amount of goods and services tax.

Contributed Assets

The entity receives assets from the government and other parties for nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

On initial recognition of an asset, the Entity recognises related amounts being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer.

The Entity recognises income immediately in profit or loss as the difference between initial carrying amount of the asset and the related amounts.

Operating Grants, Donations and Bequests

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. If conditions are attached to the grant which must be satisfied before the entity is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When the entity receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance to AASB 15,

When both these conditions are satisfied, the Entity:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the Entity:

- recognises the asset received in accordance with the recognition requirements of other applicable accounting standards;
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Entity recognises income in profit or loss when or as it satisfies its obligations under the contract.

Capital Grant

Revenue received for capital grants is recognised upon acquisition of the underlying asset within the statement of comprehensive income.

When the Entity receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer) recognised under other Australian Accounting Standards.

Interest Income

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend Income

The Entity recognises dividends in profit or loss only when the Entity's right to receive payment of the dividend is established.

(m) Taxes

Income tax

Surf Life Saving Queensland is exempt from income tax pursuant to Section 50-10 of the Income Tax Assessment Act 1997.

Surf Life Saving Queensland is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office to receive tax concessions.

Further, Surf Life Saving Queensland is endorsed as a Deductible Gift Recipient (DGR).

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except:

- When the GST incurred on a sale or purchase of assets or services is not payable to or recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the revenue or the expense item or as part of the cost of acquisition of the asset, as applicable.
- When receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the ATO.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

(n) Interest-bearing loans and borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

(o) Fair value of assets and liabilities

The entity measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

"Fair value" is the price the entity would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability). In the absence of such a market, market information is extracted from the most advantageous market available to the company at the end of the reporting period.

The fair value of liabilities and the entity's own equity instruments (if any) may be valued, where there is no observable market price in relation to the transfer of such financial instruments, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and, where significant, are detailed in the respective note to the financial statements.

(p) Comparative figures

Where necessary, comparative information has been restated to conform with changes in presentation in the current period.

In the prior financial period, as part of the change in Constitution; SLSQ moved the balance date from 31 May to 30 June. This has resulted in the comparative information being for a period of 13 months.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 1: Summary of significant accounting policies (continued)

(q) Financial risk management objectives and policies

Surf Life Saving Queensland's principal financial instruments comprise receivables, payables, cash and short-term deposits, lease liabilities, interest bearing loan and borrowings and investments held in equities. Surf Life Saving Queensland manages its exposure to key financial risks in accordance with the financial risk management policy.

The main risks arising from Surf Life Saving Queensland's financial instruments are credit risk, liquidity risk and price risk. Surf Life Saving Queensland uses different methods to measure and manage different types of risks to which it is exposed. These include ageing analyses and monitoring of specific credit allowances undertaken to manage credit risk. Liquidity risk is monitored through the development of rolling cash flow forecasts. The Board reviews and agrees policies for managing each of these risks.

Credit risk arises from the financial assets of Surf Life Saving Queensland, which comprise cash and cash equivalents, trade and other receivables. Surf Life Saving Queensland's exposure to credit risk arises from potential default of the counter party, with a maximum exposure equal to the carrying amount of these instruments.

Surf Life Saving Queensland trades only with recognised, creditworthy third parties, and as such collateral is not requested nor is it Surf Life Saving Queensland's policy to securitise its trade and other receivables. In addition, receivable balances are monitored on an ongoing basis with the result that Surf Life Saving Queensland's exposure to bad debts is not significant. There are no significant concentrations of credit risk within Surf Life Saving Queensland.

Liquidity risk arises from the timing differences between cash inflows and cash outflows. Surf Life Saving Queensland's objective is to maintain a balance between continuity of funding and flexibility. The Board has in place working capital and reinvestment targets and regularly monitors forward cash flow forecasts.

Equity securities price risks arise from investments in equity securities. To limit this risk Surf Life Saving Queensland diversifies its portfolio in accordance with limits set by the Board in conjunction with its investment fund manager Wilsons; who report and present to the Board quarterly. The majority of the equity investments is of a high quality and is publicly traded on the ASX. The price risk appears immaterial in terms of a possible impact on profit and loss and as such a sensitivity analysis has not been completed.

Primary responsibility for identification and control of financial risk rests with the Board. The Board reviews and agrees policies for managing each of these risks identified.

(r) COVID-19 Impact

The COVID-19 outbreak and the resulting government restrictions continued to have an impact on the Australian economy and consequentially the Surf Life Saving operations in the 2021-22 year. Whilst this was mainly limited to the first half of the year via sporadic lockdowns and border closures; it was pleasing to see an easing of these restrictions. This includes SLSQ Board withdrawing the COVID-19 Mandatory Vaccination in March, 2022.

(s) Going Concern

At 30 June 2022, the Group's current liabilities exceeded current assets by \$7.728m. The deficiency in current assets is primarily due to the \$5.5m Westpac borrowing being reclassified as current as it is set to expire in March 2023. The Directors have commenced discussions with financiers to renew, which is the likely outcome. If however the refinancing is not successful, the Directors are confident that given the security available for this facility, a loan would be secured with another major Australian bank. In the unlikely event that is unsuccessful, there are sufficient liquid assets within Investments (per Note 7) readily convertible to cash.

Another significant portion relates to contract liabilities of \$6.397m relating to services that have not yet been delivered. Cash relating to this item has been received and will be recognised as revenue once the recognition criteria have been met. No future cash outflows are required to settle these liabilities, unless in circumstances where it is unable to do so. In the Directors' opinion, it is considered unlikely that the criteria will not be met.

On this basis, the directors have determined that the consolidated financial report should be prepared on a going concern

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 2: Significant accounting judgements, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(a) Estimation of useful lives or assets

The estimation of the useful lives of assets has been based on historical experience as well as manufacturers' warranties (for plant, equipment and helicopters), lease terms (for leased equipment). In addition, the condition of the assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made prospectively, if appropriate.

(b) Impairment of leasehold improvements – controlled entity

Impairment indicators were not identified relating to the carrying value of the leasehold improvements for the Cairns S.L.S. Supporters Club Inc.

An impairment assessment was performed, with a recoverable amount determined based on value-in-use calculations. In determining value-in-use, projected future cash flows are discounted using a risk adjusted discount rate.

From this impairment assessment, an impairment expense of property, plant and equipment of \$Nil (2021: \$Nil) has been recognised.

(c) Impairment of helicopter equipment

In the current financial, no impairment assessment was required as the helicopters were fully written down. In the prior financial period, no impairment assessment was required as the helicopters were fully written down.

(d) Impairment of helicopter rotatable equipment

Impairment indicators were identified relating to the carrying value of the rotatable equipment, contained within the plant and equipment class of property, plant and equipment.

An impairment assessment was performed and from this impairment assessment, an impairment expense of property, plant and equipment of \$NIL thousand (2021: \$655 thousand) has been recognised.

(e) Control of Ripper Corporation

Note 4.2, Surf Life Saving Queensland obtained control of Ripper Corp effective 16 February 2021. As per the business sale agreement, the intellectual property (IP) of Ripper had a \$1.78m value in use at 16 February 2021 and remains at that value at 30 June 2022.

(f) Recognition of revenue

When assessing revenue, management exercises judgement to determine whether the performance obligation is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature/type, cost/value, quantity and the period of transfer related to the goods or services promised.

(g) Trade and other receivables

As disclosed in Note 5, management exercises judgement in measurement of the expected credit loss allowances for trade and other receivables.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 3: Revenue and Expenses

3.1: Operating Revenue

	SLSQ Group	
	30 Jun 2022	30 Jun 2021
	\$'000	\$'000
Rendering of services (sponsors, lifeguarding and aviation)	23,622	24,547
Government grants	7,480	7,293

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 4.2 Acquisition of business (undertaken in period ended 30 June 2021):

	SLSQ Group
	30 Jun 2021
	\$'000
In the prior year Surf Life Saving Queensland acquired a 51% interest in 'Ripper Corporation', a business leader in drone search and rescue deployment, training, research and development, effective 16 February 2021. SLSQ aims to integrate their state-of-the-art drone and hi- tech artificial intelligence applications into existing surf lifesaving operations and wider disaster responses.	
<i>The purchase consideration comprised:</i>	
Cash consideration paid	255
Cash contingent consideration to be paid	765
Purchase consideration	1,020
<i>The fair values of identifiable assets and liabilities acquired at acquisition date:</i>	
Cash	5
Receivables	765
Property plant and equipment	202
Intellectual property	1,778
Liabilities on acquisition	(750)
Net identifiable assets and liabilities acquired	2,000
<i>Non-controlling interest measured at proportionate share of recognised assets and liabilities:</i>	(980)
Total	1,020

In terms of the business sale agreement a contingent consideration has been agreed whereby additional cash payments are required to be paid if certain performance criteria are achieved. At the acquisition date the fair value of this contingent consideration was estimated to be \$0.765m based on the expectation that it is sufficiently probable that the targets will be achieved within the prescribed timeframes. There has been no change in the fair value of this contingent consideration liability from the date of acquisition to the balance date.

The Group has elected to measure the non-controlling interests in the acquiree based on a proportionate share of recognised assets and liabilities.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 5: Trade and Other Receivables

	SLSQ Group	
	30 Jun 2022	30 Jun 2021
	\$'000	\$'000
Current		
Trade receivables	1,701	888
Less: provision for impairment	(2)	-
	1,699	888
Other receivables	541	213
	2,240	1,101
Non-current		
Other receivables	150	150
	150	150

Due to the short-term nature of these receivables, their carrying value is assumed to approximate their fair value. The maximum exposure to credit risk is the fair value of receivables. Collateral is not held as security, nor is it Surf Life Saving Queensland's policy to transfer (on-sell) receivables to special purpose entities. The entity's normal credit term is 30 days.

The above should be read in conjunction with the Statement of Changes in Equity.

(a) The financial asset reserve records the revaluation of financial assets, classified as fair value through other comprehensive income.

Note 17: Controlled Entities

The consolidated financial statements incorporate the assets, liabilities and results of the following subsidiaries, in accordance with the accounting policy described in Note 1(c):

- Cairns S.L.S. Supporters Club Inc
- Ripper Corporation Pty Ltd, trustee for the Ripper Unit Trust

The Cairns S.L.S. Supporters Club Inc is considered a controlled entity by way of control of the Management Committee by representation of Surf Life Saving Queensland Board Members and senior management, and the ability to control the day to day finance, and operations of the Cairns S.L.S. Supporters Club Inc. Control was obtained in September 2008. Despite the current economic environment is challenging, Cairns S.L.S. Supporters Club Inc. has reported an operating profit in the current financial year. In the prior financial year, an operating loss was reported and non current assets were impaired due to uncertainty over future operating cash flows.

In the prior financial period, effective the 16 February 2021, the Group acquired a 51% interest in 'Ripper Corp', a business leader in drone search and rescue deployment, training, research and development. SLSQ aims to integrate operations with Ripper Corp, unlocking their state-of-the-art drone and hi- tech AI applications into existing surf lifesaving operations and wider disaster responses. Based on the acquisition agreement of Ripper Corp, SLSQ has 51% of the voting rights and has executive managerial representation on the board. These voting rights and management representation allow SLSQ to set business objectives, approve budgets and direct projects. Further, SLSQ manage Ripper's internal processes; and the Service agreements between the two entities support that SLSQ controls Ripper. Therefore, SLSQ meets the requirements of AASB10 for control and is required to consolidate for statutory account purposes.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 18: Capital Commitments

At 30 June 2022, the Group had capital commitments of \$43.8m (2021: \$6.44m) related to plant and equipment.

Note 19: Contingent Liabilities

Surf Life Saving Queensland had no contingent liabilities as at the reporting date which would have a material effect on the Group's financial statements as at 30 June 2022 (2021: \$Nil).

Note 20: Events after the reporting period

Subsequent to the end of the prior financial period, the Cairns Surf Life Saving Supporters Club Committee made an interest repayment of \$110,000 on the 26th July 2022 against the loan from Surf Life Saving Queensland.

On 1st July 2022, Surf Life Saving Queensland purchased 100% of the tangible and intangible assets of Thundercat Inflatables for a consideration of \$1.0 million. There is also an additional deferred consideration of \$0.2m payable on 1st July 2024 if certain conditions are met.

With the exception of the above matters, there have been no significant events occurring after the balance date which may affect either the Group's operations or results of those operations or the Group's state of affairs.

Note 21: Economic dependency

Economic dependency Surf Life Saving Queensland is dependent on state funds from the Queensland Fire and Emergency Services (QFES) and distributions from Surf Life Saving Australia, as well as other sponsorship agreements. The QFES contract has been extended to 30 June 2024 at which time the company will work with its contract partner as to the company's ongoing role in the delivery of these community services.

Capital commitments

At 30 June 2022, the Group had capital commitments of \$43.8m (2021: \$6.44m) related to plant and equipment.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 24: Related Party Transactions

Related Parties

The Group's main related parties are as follows:

a. **Key management personnel**

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Group, directly or indirectly, including any director (whether executive or otherwise) of that Group is considered key management personnel.

For details of disclosures relating to key management personnel, refer to Note 25.

b. **Other related parties**

Other related parties include close family members of key management personnel and entities that are controlled or significantly influenced by those key management personnel, individually or collectively with their close family members.

c. **Transactions with related parties**

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

Other than the remuneration of the Key Management Personnel (as disclosed in Note 25), there were no other transactions with related parties during the year.

Note 25: Key Management Personnel Compensation

The totals of remuneration paid to key management personnel (KMP) of the Group during the period is as follows:

	SLSQ Group	
	30 Jun 2022	30 Jun 2021
	\$	\$
Key management personnel compensation	1,205,943	1,363,315

Note 26: Interest in the Surf Life Saving Rescue Fund Trust

In the prior year, Surf Life Saving Queensland invested both withdrawable and perpetuity funds in the Surf Life Saving Rescue Fund Trust which is administered by Surf Life Saving Foundation as the corporate Trustee. Withdrawable funds were included in Surf Life Saving Queensland's statement of financial position as financial assets at fair value through profit or loss. Earnings and movements in the fair value of withdrawable investments were included in the statement of profit or loss.

Perpetuity Funds were held for the benefit of Surf Life Saving Queensland and, in accordance with the Surf Life Saving Rescue Fund Trust Deed, submissions can be made (on either a regular or ad hoc basis) of specific proposals for application of the Perpetuity Fund to achieve charitable purpose. These funds were not recognised in the statement of financial position.

In the prior financial period, all remaining funds in the Surf Life Saving Rescue Fund were redeemed for investment by Surf Life Saving Queensland directly.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 27: Financial Risk Management

The Group's financial instruments consist mainly of deposits with banks, short-term investments, held-for-trading financial assets, accounts receivable and accounts payable.

The carrying amounts for each category of financial instruments, measured in accordance with AASB 139: *Financial Instruments: Recognition and Measurement* as detailed in the accounting policies to these financial statements, are as follows:

	Note	SLSQ Group	
		30 Jun 2022	30 Jun 2021
		\$'000	\$'000
Financial Assets			
Cash and cash equivalents	4	7,869	8,091
Loans and receivables	5	2,240	1,101
Financial Assets at fair value through profit or loss	7	3,065	3,444
Investments in equity instruments designated as at fair value through other comprehensive income	7	13,596	16,722
Total Financial Assets		26,770	29,358
Financial Liabilities			
Trade and other payables	11	4,082	2,685
Borrowings	12	11,903	5,602
Lease liabilities	14	1,489	1,863
Total Financial Liabilities		17,475	10,150

Refer to Note 28 for detailed disclosures regarding the fair value measurement of the Group's available-for-sale assets.

Notes to the Consolidated Financial Statements for the Period Ended 30 June 2022

Note 28: Fair Value Measurements

The Group has the following assets, as set out in the table below, that are measured at fair value on a recurring basis after the initial recognition.

The Group does not subsequently measure any liabilities at fair value on a recurring basis.

The Group has no assets or liabilities that are measured at fair value on a non-recurring basis.

	SLSQ Group	
	30 Jun 2022 \$'000	30 Jun 2021 \$'000
Recurring fair value measurements		
<i>Financial Assets</i>		
Investments at fair value through profit or loss	3,065	3,444
Investments designated as at fair value through other comprehensive income	13,596	16,722
Total Financial Assets Recognised at Fair Value	16,661	20,166

- (i) For investments in listed shares, the fair values have been determined based on closing quoted bid prices at the end of the reporting period.
- (ii) For investments in unlisted shares, the fair values have been determined using a market approach using sector price-earnings ratio of similar sized listed entities.

Note 29: Group Details

The registered office and principal place of business of the Group is:

Surf Rescue House
18 Manning Street
South Brisbane Qld 4101

Cairns Surf Lifesaving Supporters Club:

135 Williams Esplanade
Palm Cove Qld 4879

Ripper Corp:

18 Manning Street
South Brisbane Qld 4101

Note 30: Members' Guarantee

The Group is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. The liability of the Members of SLSQ is limited. At 30 June 2022, the number of members was 6 branches. If the company is wound up, the constitution states that each Branch undertakes to contribute to the assets of SLSQ if it is wound up while a Member, or within one year after ceasing to be a Member, for payment of the debts and liabilities of SLSQ contracted before the time at which it ceases to be a Member, and the costs, charges and expenses of winding up and for an adjustment of the rights of 6 contributors among themselves, such amount as may be required not exceeding one dollar (\$1.00).

Directors' Declaration for the Period ended 30 June 2022

The Directors' of the Company of Surf Life Saving Queensland declare that:

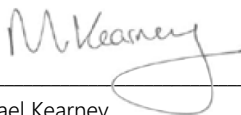

1. The consolidated financial statements and accompanying notes, are in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:
 - a. complying with Australian Accounting Standards – Simplified Disclosures (including the Australian Accounting Interpretations) and *Corporations Regulations 2001*; applicable to the Group; and
 - b. giving a true and fair view of the Group's financial position as at 30 June 2022 and of its performance for the period ended on that date.
2. In the Directors' opinion, there are reasonable grounds to believe that the Group will be able to pay all of its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors, and is signed for and on behalf of the Board by:

Mark Fife

Director

Michael Kearney

Director

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SURF LIFE SAVING QUEENSLAND

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Surf Life Saving Queensland and its controlled entities (the "Group"), which comprises the consolidated statement of financial position as at 30 June 2022 and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the period then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the director's declaration.

In our opinion the consolidated financial report of the Group is in accordance with the Division 60 of the *Australian Charities and Not-for-Profit Commission Act 2012*, including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2022 and of its performance for the period then ended; and
- (ii) complying with Australian Accounting Standards – Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-Profits Commission Regulations 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Group in accordance with the ethical requirements of the Australian Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Simplified Disclosures and the *Australian Charities and Non-for-Profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors are responsible for overseeing the Group's financial reporting process.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SURF LIFE SAVING QUEENSLAND

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation of the entities or business activities within the Group to express an opinion on the financial report.
- We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Bentleys Brisbane (Audit) Pty Ltd
Chartered Accountants
