We have 35,386 volunteers in 58 Clubs accross six regions that save lives with vigilance and service.

Our vision is zero preventable deaths in Queensland public waters.

Our purpose is to equip, develop, empower and support our people to deliver vital aquatic rescue and safety services to save lives across Queensland.

We have returned 156,000 loved ones to their families.

Between the Red and Yellow flags, we volunteer over 340,000 patrol hours annually and countless more off the sand.

Built on tradition, forged out of passion, and focused on the future, SLSQ is recognised as the leading authority on coastal and aquatic safety.

Across our workforce of 580 we are educators, drone and aviation pilots, volunteers, administrators, aircrew, lifeguards, brand custodians and community advocates.

### PATRON'S MESSAGE

As Governor, it is indeed an honour to be Patron of Surf Life Saving Queensland, our State's peak body for aquatic safety and one of our most trusted and revered community-based organisations.

Here and elsewhere around the country, the Surf Life Saving symbol is not only synonymous with extraordinary acts of bravery on our beaches and waterways but part of oundentity as Australians, and certainly as Queenslanders.

As in other states, most of our population lives relatively close to the ocean somewhere along our vast coastline, and the image of a lifesaver running down the beach or paddling through the waves is etched into our psyche.

Throughout summer, the red-and-yellow flags are a reminder to stay vigilant, but also an assurance to beachgoers that should they get into trouble in the waves, someone will likely be there to help them safely back to shore.

However, drowning remains a major cause of unintentional death worldwide, and Queensland is not immune from this 'silent killer'. Given the enormity of this issue, I would like to express my gratitude. and that of all Queenslanders, for all that you do on our beaches and in our communities.

The statistics speak for themselves. During the 2022/23 season, SLSQ lifesavers and lifeguards completed 3,622 rescues, 630,749 preventative actions and 18,868 first aid treatments.

Each and every life saved is an invaluable contribution that SLSQ makes to Queensland, and an incalculable debt incurred so that we can continue to enjoy our healthy, active, outdoor lifestyle.

I commend all of those involved in our Surf Life Saving movernent, including those in lifesaving and membership services, community education, surf sports, and fundraising and commercial training.

My heartfelt thanks to you all

Inthe Young

Her Excellency The Honourable Jeannette Young PSM Governor of Queensland

### PREMIER'S MESSAGE

Surf Life Saving Queensland (SLSQ) is one of the State's pre-eminent organisations and is recognised as one of the world's leading authorities on coastal and aquatic safety.

SLSQ clubs are the lifeblood of many Queensland communities, with close to 500,000 supporting members and almost 36,000 dedicated volunteers patrolling our beaches.

With 58 clubs along 8000 kilometres of Queensland coastline, from Coolangatta to North Queensland, locals and visitors can enjoy our beaches and feel safe.

SLSQ's valuable community service encompasses several diverse arms, and not only lifesaving initiatives, but also community education, membership services, surf sports, fundraising and commercial training.

The iconic red and yellow flags flew strongly in the 2022–23 season, with the lifeguards and operations teams performing 3622 rescues, executing 630,749 preventative actions and administering 18,868 first aid treatments.

SLSQ's vision of zero preventable deaths in Queensland's public waters has remained the same since SLSQ's humble beginnings, with the first official rescue in 1909. SLSQ was formally established in 1930 and is a volunteer-led and professionally managed organisation.

SLSQ now prepares to host a major global event, the 2024 Lifesaving World Championships on the Gold Coast, which will involve 5000-plus athletes, 12,000-plus spectators and more than 50 countries represented.

The 18-day event starts on 20 August 2024 and entails many lifesaving disciplines, in the ocean, on the beach and in the pool. The biennial competition has not been held in Queensland since 1988.

SLSQ is also achieving world recognition for outstanding courage and service of its members, and this is why I am proud to be a Vice Patron of SLSQ, and to participate in the Parliamentary Friends of Surf Life Saving Queensland.

This is a great bi-partisan initiative, open to all Members of Parliament to provide support and to promote and actively engage with SLSO.

The Queensland Government's \$30 million SLSQ funding over four years, and partnership with its SharkSmart safety messaging, as well as an ongoing trial of drone surveillance at some Queensland beaches, reiterates our commitment to aquatic and coastal safety.

We encourage everyone to put safety first when at the beach or in the water, whatever their chosen activity, including swimming, surfing, boating, fishing or snorkelling.

I commend SLSQ and its amazing volunteers for being on hand and ready to protect millions of beachgoers, as part of SLSQ's mission to save lives across the State.

The Honourable Annastacia Palaszczuk MP

Premier of Queensland

Minister for the Olympic and Paralympic Games

amotace

## BOARD BIOGRAPHY

Gerard O'Brien
President

Gerard joined Noosa Heads SLSC in 2001 as a Nipper parent of four young children. In the years since, he has held a wide variety of positions at Club, Branch and State level, including 6 years as

Club President and 3 years as Sunshine Coast Branch President. He was elected State President in September 2022. He is a Life Member of his club and remains an active patrolling member and Surf Sports competitor.

Gerard has enjoyed an extensive Executive career, with more than 30 years in CEO/General Manager roles in the Fast Moving Consumer Goods sector in Australia and overseas, including 10 years as CEO/MD of an ASX-listed Public Company. He has a financial management background, featuring a Commerce degree (Griffith) and an MBA from Georgetown University, USA. He retains business advisory and consulting roles in the Pacific.

Gerard has a history of extensive engagement at Board level with Industry Associations and Not-For-Profits over the course of his career. He is a Non-Executive Director of Spinal Life Australia, Chair of Spinal Futures Limited and Non-Executive Director of Mobility Healthcare Australia.

Carol Fox
Deputy President

As a Life Member of Lorne SLSC in Victoria, Carol has been involved in many areas of Surf Lifesaving both at a Club and State level including: Patrol Captain, Competitor, Paid beach lifeguard, Club Secretary and Host of the Lifesaving Victoria Awards of Excellence.

Carol has over 30 years of collaborating with all levels of Sport, Government agencies (including state emergency services), and Educational Institutions as a workshop facilitator, lecturer, conference speaker and executive coach.

Her career includes roles as a state sport executive officer and a university lecturer at Victoria University in the Human Movement and Sport Administration Degrees. She is Owner/ Director of the Training & Coaching Company Carol Fox & Co.

As the Former President of Women Sport Australia for 5 years, Carol also holds Ambassador roles for Victoria University Women In Sport Research, AFLW She Can Coach Program and the Women Sport Australia Mentor Program

Shane MacKenzie
Director of Finance

Shane joined the SLSQ movement in 2018 and has been a member of Coolum SLSC & Kurrawa SLSC. A CA qualified finance and real estate professional with nearly 15 years of hands-on industry experience. His experience is in the property

and funds space. The strengths Shane has are in building relationships and getting results by communicating things simply and finding solutions. Shane's experience spans large and small organisations and he enjoys getting involved where necessary to provide a strategic outcome.

Mark Wyer
Director

Over the past 15 years, Mark has held a variety of club roles including Patrol Captain, Radio Officer and Executive Roles of Deputy President and President. Mark has been a driving influence of club development and strategic planning during

his time with Emu Park SLSC. Mark has also been a Councilor at Branch Level and was nominated by SLSA as a Masterclass Leader in 2016. Mark is a surf boat rower with Metropolitan Caloundra and is a patrolling member for Mooloolaba SLSC.

Based on the Sunshine Coast, Mark is the Urban Development Lead for Brisbane in a multi-national consultancy (CPEng & RPEQ) and has over 20 years' civil engineering experience in both urban and municipal planning and development. He has a continuing commitment to strategic planning, business development, leadership, and development coordination. Mark is passionate about the opportunity of combining his professional knowledge of strategic planning and project management with volunteer life saving.

Tom Sealy
Director

Tom joined the life saving movement as a nipper in 1998 and has since obtained numerous life saving awards and completed over 1,000 voluntary patrol hours. As the youngest Life Member of Mermaid Beach AEME SLSC he has held

various executive roles at his club and assisted in shaping its direction in life saving and youth development endeavours. Tom is a graduate of the SLSA National Leadership College and Masterclass development programs and was selected to represent SLSA at the 2017 Japanese Life Saving Exchange Program.

Previous to his appointment to the board Tom was a member of the SLSQ Membership Services Committee where he made significant contributions to the implementation of the State Membership Sustainability Project. His involvement has spanned strategic oversight of facilities development across the state for both club and state managed 'bricks and mortar'. Tom is a registered architect working for a local property developer in Brisbane and has over fifteen years' experience completing architectural projects locally and interstate. Tom is a graduate of the Australian Institute of Company Directors course.

Leigh Schuch
Director

Leigh joined the Surf Life Saving movement in 1982 at the Moore Park SLSC, where during those early years she took on the role of Chief Instructor.

Having dedicated many years to set up opportunities for the club, the major achievements of Leigh's were around securing grants to further acquisition equipment and the construction of a gear shed and new clubhouse, as well as the co-ordination of Bundaberg Clubs Seahorse Nipper Program.

She has held numerous positions from her role of Club President, Branch President and SLSQ State Councillor, and has a broad understanding of the legal responsibilities of governing bodies in relation to charitable organisations.

Her career roles include Principal Education Officer for Education Queensland as well as Deputy Principal at Bundaberg State High School. As part of her role as Principal Education Officer, Leigh was responsible for liaising with Principal's from schools within the Bundaberg Region.

Leigh believes that it is critical for the Surf Life Saving movement to have regional representation at Board level as the way that regional clubs operate is quite different to that of the "south-east corner" of

Brad Russell

Director

Brad and his family have had an involvement in surf life saving over many generations. Brad joined Emu Park as a nipper in 1972 and is currently an active long service member of Maroochydore SLSC.

Brad is a Partner of a leading Australian law firm and a director of an internationally recognised innovative insurance and risk advisory business. In his roles as lawyer, risk and insurance advisor, Brad assists clients in the corporate and not-for-profit sectors in terms of identifying, understanding and managing their risks whether by insurance or other risk management protocol and methods.

Turning adversity into commercial opportunity and innovation are particular skills for which Brad is known. Brad's professional qualifications include being a graduate of the Australian Institute of Company Directors, admitted solicitor of various Supreme Courts as well the Federal and High Court of Australia.

Hope Chikuwa Appointed Director

Hope Chikuwa is an aviation professional with over 25 years' experience across the diverse sectors of the industry including airline, business jet aviation, general aviation, regulatory and standards bodies. She has worked in commercial, government and notfor-profit organisations of various sizes and complexity.

Her experience includes aviation and general management, strategic leadership, aircraft maintenance and operations; safety, governance, risk and compliance; business development, project management and change management.

Complementing her aviation qualifications, Hope has a Masters in Business Administration (International) and a Bachelor of Commerce.

Hope is passionate about investing in the next generation of aviation professionals. As a member of Women in Aviation International and Australian Society of Air Safety Investigators professional bodies, she actively contributes to the development and coordination of mentor programs.

### PATRONS AND HONOURS

#### Vale

Surf Life Saving Queensland offers its deepest respect and sympathy to the friends and family of members who have passed away this year. In particular, condolences are extended to the loved ones of two SLSQ Life Members

Raymond Fien - Life Member of Rainbow Bay SLSC, SLSQ Point Danger Branch and SLSQ.

Barrie Thorne – Life Member of Kirra SLSC, SLSQ Point Danger Branch and SLSQ.

#### **Australian Honours**

#### Awarded Australia Day 2023:

Judge Christopher Bowrey from Arcadian SLSC awarded the Medal (OAM) in the General Division.

Mr Guy Tanner from Mudjimba SLSC awarded the Medal (OAM) in the General Division

### NOTICE OF SLSQ ANNUAL GENERAL MEETING

The 2022/23 Annual Report will be presented at the 93rd Annual General Meeting of Surf Life Saving Queensland, to be held on Friday 29th September, 2023 at 6pm, Surf Rescue House, South Brisbane

### PRESIDENT'S REPORT

2022/23 was another outstanding year for Surf Life Saving Queensland as the statistics and records in this report bear out. Our volunteers and Clubs have once again delivered for their communities, supported by our professional services. Critically, there were, once again, no lives lost on patrolled beaches between the red and yellow flags however, in the face of a dramatic increase in beach visitations, we have seen a concerning trend towards drownings/incidents on more remote beaches and outside of traditional times. This is a challenge that we must tackle, as we move forward using new technologies, supported by traditional lifesaving methods.

Further, as a federation of Clubs and Branches, combined with our professional operations, we must continue to develop our organisation, both individually and collectively, in order to thrive over the years ahead. I have no doubt that this is another challenge this great organisation will rise to

I would like to thank both the Board and the State Council for their support over the past year. There has been a lot of change, both internal and external to our organisation, that we have had to manage with a constant focus on what is best for the organisation. I also want to thank the Senior Leadership Team, led by our CEO, Dave Whimpey and our CFO/Company Secretary, David Nothard. They have provided a steady hand over the past year and the organisation is strongly placed, financially and organisationally, as a result.

The year saw some major milestones, including:

- the exit from the Little Ripper joint venture, enabling SLSQ to focus on lifesaving-related operations and training, free from the complexity and risk of commercial activities;
- the implementation of the new PolAir contract proceeded throughout the year with new aircraft and facility upgrades due for completion in 2023/24:
- the organisation secured ownership of a new site on the Gold Coast which will be progressively developed as a new regional support base; and
- the organisation commenced the immense task of hosting the Lifesaving World Championships in Queensland for the first time ever - this event, in August 2024, promises to be a spectacular celebration of the best of surf lifesaving from all around the world and a showpiece for our organisation.

I also wish to pay tribute to our Life Members who passed during the year: Raymond Fien and Barrie Thorne. Surf lifesaving in Queensland has a proud history reaching back to 1908 and much of that legacy is built on great men and women such as these, with passion and determination.

In my first report as President, I think it is important to reflect on what an amazing organisation we are all a part of. Despite our many challenges we are:

- an Emergency Service dedicated to saving lives (which we do on a daily basis);
- · part of Australia's largest volunteer organisation;
- over 35,000 members and almost 200,000 nationally;
- part of arquably Australia's largest Youth movement:
- a large RTO overseeing education of both members and the public; and
- · we conduct one of the country's most iconic sports.

In Queensland, we also operate some significant "Profit for Purpose" businesses aligned to our mission to save lives:

- · a substantial and expanding Aviation (helicopter) business;
- a professional Lifeguard service operating across the State;
- a UAV (Unmanned Aerial Vehicle) business that is focussed on training and mission-related contracts, such as shark-spotting;
- an IRB manufacturing business.

It is a complex business, and, over time, we have tended to make life complex in our core business: that is what our Clubs and volunteers do every day.

As incoming President, I challenged our Board and Management to re-focus on our core business: to reduce complexity for our members; and thereby improve the "membership experience". To ensure our sustainability, we must both recruit new members, as well as retain our existing members and to do this, we need to ensure the membership experience is as good as it can be. So, the priorities that we have focussed on have been:

- The first tentative steps in the transformation of our Member Education system, SLSQ will gradually remove some qualifications from the RTO structure, commencing with IRB Awards. We are increasing flexibility to use Subject Matter Experts in that way, rather than fully qualified Trainer/Assessors for training. These changes our incredibly valuable volunteer trainers can remain engaged in training without needing to continually upgrade their Certificate IV if they prefer not to. In further simplification, we are integrating the current five different training IT systems/access points into one Learning and Development hub, ready for the 2023/24 season.
- Investing the proceeds from our Profit for Purpose businesses into supporting our Clubs through increased Branch/Regional resources. We have reinstated the Regional Manager structure to ensure we have an accountable Manager in all key regions of the State. Underneath this, we are supporting our Clubs and Chief Training Officer's with access to professional "Certificate IV" Education Managers in all Branches. This role is not designed to replace our volunteer Trainers/Assessors, but rather to enhance their capability/flexibility to conduct "on beach" training and to support them in the required technological transformation of our Education system.
- We have recognised the dire circumstances of some Clubs with patrolling membership numbers that are, or are becoming, unsustainable. The Priority Clubs initiative has been implemented to try to help this group of Clubs build their patrolling membership base back to where it needs to be. The program features a detailed investigation of our membership numbers and trends. A tailored Action Plan is developed for each Club. It is worthy of note, that most Clubs in this category are north of Noosa.
- Increasing the State's focus on its role in Member Recruitment and Retention. The role for SLSQ is to build the profile of our brand and lay the platform for Clubs to leverage, however, our Brand needs to be flexible to cater for regional differences.

Our 58 Clubs are all different as they serve different communities, have different priorities, and have different cultures. Traditionally, our movement has not been very diverse and sometimes, not particularly welcoming. This is changing, for example, females now account for just under 50% of our total membership. Our Nippers and Youth membership is growing and as these new generations flow through, attitudes will no doubt change even further, however, as a movement we need to be proactive in driving this change. It is a strategic imperative for our organisation at all levels (State, Branch and Club) to build a "welcoming" culture. To me, a "welcoming" culture means: our membership looks like the communities we serve; and our leadership looks like the membership base. This sounds simple but, while there are some wonderful examples across our State, generally and collectively, we are a long way from it. There will be greater emphasis on cultural and representative change where it is needed.

Finally, I would like acknowledge the retiring Directors: Brad Russell, Leigh Schuch and Grant Dearlove (Exited in March 2023). All of these individuals have contributed enormously in their area of specialty and I am sure will continue to provide advice and input where required.

I also add my congratulations, on behalf of the entire membership, to the Life Members announced at last year's AGM: Sharon Brennan, Rob Campbell, Santo Della Bianca, Ken Hunter and Michael White. In all cases, this is much deserved recognition of many years of distinguished and sustained commitment to our movement.

Yours in Lifesaving

Gerard O'Brien

### **CEO REPORT**

We thank the 35,386 volunteers across our 58 surf clubs that once again performed remarkedly across a very busy season – while of course North Queensland is still in full swing. We also have dozens of these volunteers that give up their time and join various panels and committees as advisors or officers that govern this great organisation. I tip my hat to you all for your altruistic drive to ultimately save lives on Queensland Beaches and public waters.

With that said, I would like to personally acknowledge retiring Lifesaving Committee Chair of seven years, Mr Clint Swanton whom personifies, and has gentrified, Surf Life Saving Queensland. Clint's drive for unambiguous improvement centred in knowledge, passion, commitment and analysis will be truly missed. Thank you 'Swanno'.

Emerging from the Pandemic, SLSQ is well placed to face the many challenges that we are faced with. Volunteering across Australia is at an all-time low and our Surf lifesaving Clubs and volunteers in Oueensland are experiencing significant headwinds. We are not immune to macroeconomic and social indicators. In fact, between our active and affiliate members we represent 9% of the community so the impact is wide-

With that said, we've invested the past 4-years preparing to be more resilient and modern as an organisation. We have a State Council, State Board and Senior Executive Team that understands the key drivers of success for surf life saving in Queensland and together with our State Committees and Panels we have responded accordingly.

Borne out of these challenges and assembled expeditiously, SLSQ highlighted throughout the year:

- The commencement of our 'Priority Clubs' projects focussed on those 33% of surf clubs that require additional support to be
- Our investment in 'paid staff' throughout all Regions in Queensland that are placed to support and where necessary perform the many functions of running a successful regional and branch administration:
- · Complexity reduction and innovation through our 'Education Transformation' project and more efficient integration with SLSA systems and processes;
- A state-wide recruitment campaign in-train for the coming season.

We will stand with, for and by the community and our Clubs and Volunteers as we face these challenges head-on and with the red and vellow resilience inherent in our organisation.

My Board and I look forward to working with the Queensland Government on also securing our new Services Funding Agreement that expires at the end of this financial year. We also thank the Queensland Government for their unwavering support as we transition to the Queensland Police – our great friends as we have served together for

In closing I would like to make a special mention of our President Gerard O'Brien and Deputy President Carol Fox. You have both made great strides with the Diversity, Equity and Inclusion narrative throughout our movement. We will continue to evolve so that we may reflect the very communities we serve

Please be safe everyone on our beaches as we head toward another beautiful summer in Queensland.

Yours in Lifesaving

Dave G. Whimpey

### LIFE SAVING & EDUCATION REPORT

#### Staying in touch with our members and services.

In the 2022/2023 season a number of new initiatives were introduced into both Lifesaving Operations and Education Departments. SLSQ is grateful for the vital government and community support it has received throughout the year and remains committed to adopting best practise initiatives and forward thinking to eliminate drownings in Queensland public waters. Key initiatives from this season include:

**Lifesaving Operations:** SLSQ acknowledge and thank our volunteer members and the support from the 58 Clubs throughout the State in keeping our beaches safe for all to enjoy. In August 2022, SLSQ delivered a successful Lifesaving Conference in Brisbane. Members and Staff from every Branch attended various sessions tailored to their Club's needs. This is a way for our members to come together to network, share ideas, and hear of the new updates from SLSQ. It was the first time since COVID that the organisation came together in one place.

Rescue Watercraft have been implemented to Club services with 11 clubs currently utilising a jet ski to assist with patrol operations. Unmanned Aerial Vehicles trial commenced across the state, with the seven (7) clubs currently participating in the trial, drone trials at various locations will continue to the end of 2023/2024 season. An intensive review of marine stingers policies and procedures has been conducted. In conjunction with the Education Department, SLSQ have rolled out a new marine stinger course and award.

SLSQ Research Panel has been operating in conjunction with the State Lifesaving Committee for a year. The Committee have endorsed a PhD student who is conducting an Analysis of effective Surf Lifesaving resuscitation in response to drownings in Queensland waterways.

Funding is essential to ongoing services to the community and through the generous support of Cory Charitable Grant, SLSQ have been able to provide OCPR Manikins to three Branches.

**Education Department:** 24,462 SLS awards have been issued to members this season further enhancing their skills and knowledge. Extensive research during this season and introducing a new Learning Management System and Student Management System for the 2023/2024 season with the aim to reduce complexity in our volunteer training methodology. Continuing with enhancing our members with the necessary qualifications, we have seen a considerable growth in qualified TAFs. SLSQ Education Team is currently working on a TAE22 pathway plan that will allow us to maximise full potential of our TAFs. With the Introduction of the Lifeguard Certificate III in Public Safety Pathway and Qld Marine Stinger Award these are giving members more opportunities in gaining new awards.

**Operations Support:** The Operations Support Panel have been focusing on future member retention; training, enhancing skills and equipment upgrades. Areas identified were engaging and improving interoperability with Queensland Ambulance Service (QAS) Queensland Water Police (QWP), Queensland Police Service (QPS) and SOCC. SLSQ collaborated with industry and government stakeholders to define the

future direction of SLSQ's communication tools and equipment. This work is intended to ensure future members have access to cutting-edge equipment. A direct result from this is a new repeater station at Mount Cotton. SLSQ has installed modern equipment designed to address challenges including environmental resilience, reliability, and user-friendliness during emergencies. Upgraded four emergency help points throughout Queensland.

Newly designed deployable camera trailers have been ordered, these trailers will be deployed to blackspot locations and provide situational awareness and early response to incidents. SLSQ installed modern equipment designed to address challenges including environmental resilience, reliability, and user-friendliness during emergencies.

Professional development session with the Education team was conducted to ensure Operations Support proficiencies, education process, surfguard administration processes have been implemented for the coming season. Operations Support ran the first RWC Women's Development Course which saw an additional new members join Operations Support. Continued development of Member fatigue management systems to improve member safety and reduce risk of injury. SLSQ have reviewed and updated the fleet of RWC's for the 2023/2024 season on the Gold Coast.

**Around the Branches:** Over the past 12 months the Lifesaving and Education teams have participated in delivering sessions at MEALS (Membership, Education, Administration, Lifesaving and Sport) workshops throughout the Branches.

With the change of coastline and several incidents, an additional service has been implemented at Happy Valley. A successful PULSE advanced Lifesaving program was implemented on the Sunshine Coast, proving beneficial to our members. In the northern sector SLSQ have increased staffing to further assist the volunteers. There has been an uptake from members in the north in gaining the Marine Stinger Award which further enhances their capabilities. SLSQ has entered in Memorandum of Understanding with North QLD, Sunshine Coast and South Coast Branches which has strengthened the relationship for both parties and provides clear KPI's and roles.

Building stronger relationships with external agencies is ongoing and this past season is no exception with assisting QPS in disaster management incidents; and training members in search and rescue. Engaging with QAS in strengthening our communications. All regions are building stronger relationships with their local Councils, QPS, QAS Water Police whilst reinforcing our abilities and presence both on and off beaches.

QPS SEARCH AND RESCUES

### **AVIATION REPORT**

These twelve months has had some significant milestones in Aviation. There is now a General Manager who is responsible for Aviation alone due to the high and significant workload in particular with the implementation of the Airborne Law Enforcement (POLAIR) contract with Queensland Police Service.

The new POLAIR contract which commences in July 2024 has some significant milestones to complete leading up to the commencement date, including Aircraft purchase which is three Bell 429's currently being constructed near Montreal Canada, this is progressing well and due for Factory acceptance in December 2023.

Development Approval has been sought for construction of an office building to house QPS and hanger extension at Carrara and a facility at Archerfield to house the 429 Simulator due for arrival around end of September 2023

As part of the new contract SLSQ need to employ 4 more pilots, interviews and appointments have been made with all 4 commencing in the 23/24 year.

All of this while we continue to conduct the current contract with POLAIR using our EC-135 aircraft.

The Westpac Lifesaver Rescue Helicopter Service **(WLRHS)** has had a very busy year with training completed for new volunteers to enter the service which will continue each year as we progress

#### **Overview of Achievements**

In 2023, the Aviation Department continued to soar above expectations, achieving several milestones:

- Safety Excellence: We maintained a 100% safety record, a testament to the commitment of our pilots and crew
- Profitable Growth: Despite economic challenges, we achieved an increase in revenue, with a net profit margin increase from previous years primarily thanks to our Engineering Department and employment in October of Ian Kirby our new Avionics Engineer.

#### **Safety and Compliance**

Safety remains our top priority. In 2023, we:

- Conducted 100% Safety management group meetings and identified significant improvement methods.
- Maintained full compliance with all aviation regulations.
- Implemented an Aviation Advisory Board to assist with all matters Aviation.

#### **WLRHS Operational Highlights**

Our operational achievements include the following:

<ul> <li>SLS Search and Rescue Missions</li> </ul>	24

## MEMBERSHIP, SPORT, BRAND AND ENTERPRISE **REPORT**

In this fiscal year our Membership, Sport, Brand, and Enterprise divisions have achieved remarkable accomplishments throughout the organisation by effectively implementing the strategic plan. The dedication and hard work of our skilled volunteer and professional teams have led to the significant milestones reached by each division. The crucial elements of collaboration and leadership within each section and the harmonious alliance across teams have played a vital role in our progress, contributing to the overall success of SLSQ.

#### **Membership Services**

The Membership department, serving as the engine room of our organisation, has proved to be instrumental in driving our strategic objectives. From Junior Activities to club health checks, recruitment and retention, and everything in between, they have played a crucial role in supporting and strengthening our membership base. This year, our Membership department has had a profound impact. The Priority Clubs project and the Recruitment and Retention Guide have been vital in ensuring the success and growth of our clubs. Additionally, our commitment to Mental Health First Aid Training and MPIO Training, as well as the implementation of the Successful Surf Clubs Project, have marked significant milestones in our efforts to support the well-being and development of our members. The department's dedication to Member Welfare and Peer Support has been a substantial body of work. Through facilitating courses throughout the state, we have built a strong Peer Support mentor cohort composed of experienced officers. providing invaluable guidance and support to others and the design of a Peer Support decision-making framework has ensured clear and effective guidance in times of need. Our revamp and execution of the SLSQ Leadership Development Framework, along with the successful delivery of Leadership Excellence Programs, Lifesaving Development Programs, and Youth Excellence Programs across the State, have been tremendous accomplishments. These achievements are a testament to the shared vision and collaboration of the staff and volunteers alike. this dedication and expertise have resulted in positive and exciting contributions that will greatly benefit clubs and ensure their long-term

#### Sport

The Sport team has once again demonstrated its commitment to excellence, delivering an exceptional year filled with achievements and notable victories. Our athletes, coaches, committee and staff have consistently shown unparalleled dedication, resulting in outstanding performances across a wide range of sporting events and their delivery. Highlights of the year was our success at the 2022 Interstate IRB Championships in Mollymook and the Interstate Pool Rescue Championships on the Gold Coast. Our Cyclones teams showcased their abilities and defended their titles as national champions. Our IRB team retained the championships title for the twelfth consecutive year. We also took immense pride in successfully defending the Interstate Overall title for 2022 & 23, securing the prestigious Alan Whelpton AM Shield. This accomplishment serves as a testament to the skill, teamwork, and passion of everyone involved. As we reflect on the season's statistics, we have observed noticeable trends in entry numbers across various competitions. While some categories experienced a decline in participation, it is important to acknowledge that the Open Championships and IRB Championships showed resilience with only marginal decreases. We will be carefully analysing these trends to develop strategies that will encourage and engage participants in events where entry numbers have decreased. Looking towards the future, we remain committed to fostering a culture of excellence, providing unparalleled support to our athletes, and overcoming any challenges that lie ahead.

As staff and volunteers, we will continue our journey towards sporting greatness through event partnerships, collaboration across internal divisions pushing boundaries, and achieving new heights in pursuit of our shared strategic vision.

#### Brand

Our Brand department has showcased excellence in several areas. Our Safety campaigns have proven to be game-changers. The "Be a Lifesaver" campaign, designed to promote a culture of constant safety awareness, made an enormous impact. With an impressive reach of over 83 million impressions across Queensland and a staggering engagement count of 515,000, our message resonated powerfully. By specifically targeting families, young adults, and international tourists we effectively reached those who needed safety guidance the most. Event coverage, we had huge success at the 2023 State Championships. Our live streams garnered an impressive total of 31.8K views, reaching an audience of 22.6K individuals our posts and live streams across all channels successfully reached over 455K people. The festival zone, back of beach activations, and event coverage received glowing feedback from competitors, officials, and the general public. International promotion efforts, our brand presence reached global audiences. The highly anticipated launch of the LWC24 website in September 2022 was accompanied by an exciting hype video, marketed through various channels. This multi-channel approach captured international attention, solidifying our brand's visibility. Club engagement has been a top priority this year. Through MEALS workshops in all regions, we have taken a proactive approach to educate and empower our members and clubs in effectively utilising our marketing resources. As we move forward, we remain committed to building upon these successes and expanding our brand influence even further.

Our commitment to our profit-for-purpose vision continues to drive our actions. In July 2023, ThunderCat Inflatables celebrated its first anniversary under the ownership of Surf Life Saving Queensland. Our unwavering dedication to reducing lead times for clubs to receive IRBs on the beach post-ordering has remained at the forefront of our operations. Notably, we have successfully reduced the wait times from 30 months to 19 months. Despite the ongoing influx of new orders, we have diligently worked towards streamlining our processes and systems to ensure the delivery of high-quality products that are essential for saving lives. Throughout the year, we have prioritised the development of strong relationships with our suppliers and partners. Consequently, we have achieved enhanced collaboration and efficiency in our manufacturing operations. We have actively invested in the growth and upskilling of our manufacturing team, including the introduction of new apprentices from within our membership. We take great pride in the fact that our business is also creating employment opportunities and pathways for our members, ultimately contributing to the advancement

Overall, the year that was reflects the collective efforts and achievements of the Membership, Sport, Brand and Enterprise cohorts. We are proud of the strides we have made in promoting safety, fostering excellence in sports, building brand influence, and supporting our surf clubs. As we look towards the future, we remain committed to continuous improvement, innovation, and collaboration, further enhancing the impact and reach of Surf Life Saving Queensland.

Yours in Lifesaving

## LIFEGUARDS & GOVERNMENT PROGRAMS **REPORT**

The Lifeguard & Government Programs division is represented by the Lifeguard Service, Community Awareness, Drone Operations, and The Ripper Aviation Academy departments. While each department has unique endeavours, I acknowledge the way the division comes together as a whole to achieve the organisation's mission. In the 2022/2023 year we have seen significant expansions of services, key projects and resourcing challenges both human and asset-related while maintaining day-to-day operations. I would like to thank the managers and their teams for their dedication and ongoing contribution to the advancement of SLSO.

#### **Lifeguard Services**

Surf Life Saving Queensland's Lifeguards play a crucial role in ensuring beach safety along the Queensland coastline. With 16 local government contract partners and over 80 patrolled beaches with many patrolled 365 days a year, the presence of well-trained and vigilant lifeguards is an absolute necessity. Lifeguards serve as invaluable sources of information and education for both locals and tourists alike. Lifeguards primary role is to educate beachgoers about potential risks and advise them on how to stay safe, including the importance of swimming between the flags, which indicate the designated safe swimming area. This proactive approach to safety education promotes responsible behaviour and empowers individuals to make informed decisions when enjoying the beach. The lifeguard service has recognised the importance of ongoing training and development and has all lifeguards complete a challenging tri-annual development and fitness testing program. Furthermore, several senior lifeguards completed their Certificate IV in Training and Assessment. In 2022/2023 the lifeguard service in Queensland watched over an incredible total of 18,261,873 beachgoers completing 528,957 preventative actions, 2,185 rescues and 11,429 First Aids ultimately keeping the beach attending public safe. Thank you to our dedicated lifeguards who deliver this world-class service.

The lifeguard service was pleased to announce a number of contract renewals in the year 2022/2023. These included Sunshine Coast Regional Council, Noosa Shire Council, Cairns Regional Council, Bundaberg Regional Council, and Livingstone Regional Council. These renewals represent the fantastic partnership and support from the local government and of course, our dedicated local lifeguard teams who have a shared goal of maintaining a safe and enjoyable beach environment. Significantly Calan Lovitt was appointed to the Head of Lifeguard Operations role in July 2022, in recognition of the significant work he has done in the industry to date.

#### Community Awarenes

Community Awareness is designed to increase knowledge within our communities in the importance of beach and water safety. Through education we aim to increase understanding of our main beach safety themes, to influence behaviors and ultimately save lives. This frontline approach to beach and aquatic safety enables beachgoers to make informed, perhaps lifesaving decisions before entering the water. Over the past 12 months, our community awareness department has engaged with a total of 142,375 community members. We were able to target a variety of culturally and linguistically diverse (CALD) communities through Coast 2 Cape, on the same wave (OTSW) and our international water skill assessments. 82,937 engagements were purely through our surf crew activations. This year our Beach 2 Bush program was able to facilitate one tour departing each region totalling 6 tours. The 15 tour members delivered 83 presentations travelling over 10,000 km throughout Oueensland.

The Coast 2 Cape Program has successfully facilitated 15 water safety schools programs over two primary schools and two first aid courses to the rangers of the Northern Peninsula Area Regional Council (NPARC). By implementing this program, we are able to equip young minds with vital water safety skills but also promotes a culture of awareness and responsibility around aquatic environments.

#### **Drone Operation**

SLSQ continues to partner with the Department of Agriculture and Fisheries (DAF) to deliver the Shark Smart Drone Trial to 10 locations flying every weekend and during Queensland school holidays. The trial focuses on data collection for shark research with the supplementary benefit of providing support to lifeguards and lifesaving patrols. In 2022/2023 the program had 51 pilots completing 4,551 flights detecting a total of 1,540 sharks. SLSQ remains focused on the delivery of this program until June 2025 and is currently working on the introduction of an Extended Visual Line of Sight operation with DAF approving a trial that will be completed in the program in 2023/2024.

#### The Ripper Aviation Academy

In late March 2023 The Ripper Aviation Academy, a CASA-approved drone training business, transitioned from Rippercorp to SLSQ. With six staff transitioning the academy has continued to deliver their CASA-approved training to both internal and external clients. Furthermore, there has been a strong focus on completing the transition including CASA compliance.

#### **Greg Cahill**

General Manager - Lifeguards & Government Programs

## ETHICAL STANDARDS & ENTERPRISE RISK **REPORT**

The Australian Community have an expectation that their volunteer and not for profit organisations are honest, transparent and conduct their business and activities with integrity. All of the persons who participate in and interact with Surf Life Saving Queensland have the right to do so in a fair, safe and respectful environment.

#### **Ethical Standards**

An Ethics Strategy is essential to create and ensure an ethical business. As an organisation, we must protect our values and our reputation as one. SLSQ Ethical Standards is leading the effort to address broad integrity, behavioural and cultural threats to our organisation.

Season 2022/2023 has seen a number of major projects within the Ethical Standards space. Creation of internal Complaints System supported by template documents, inductions and training for members. Significant work in Gender equity within the organisation with an extensive survey completed so SLSQ can learn about the lived experience of women in the organisation and work to decrease barriers. Cementing our partnership with Life Savers with Pride. Liaison with external agencies relative to accessibility for persons with a disability coupled with participation in the SLSA Accessible Beaches Survey

The SLSQ Board have recognised the need to ensure our organisation is welcoming for all and to that end SLSQ will have its first Diversity, Equity and Inclusion Manager to drive programs and initiatives.

SLSQ have commenced discovery and research towards the implementation of our first sustainability strategy to ensure that our impact on the environment and the footprint we leave is minimised.

#### Governance

The world of Governance is ever changing and the SLSQ Board, in its realignment of the SLSQ Strategy have acknowledged the need to provide increased supportive mechanisms to the affiliated entities and officer bearers.

In perhaps one of the biggest projects undertaken by SLSQ, we have for the first time in 20 years produced new regulations (by-laws), a project that took two (2) years to execute.

Description automatically generated SLSQ will have, for the first time a Governance Operations Manual aimed at Committees and Office Bearers. This will be an online resource underpinned by annual inductions to ensure members know the requirements.

To complement the Governance Operations Manual – SLSQ will also release an Administration Operations Manual. To ensure our members were kept informed SLSQ implemented regional workshops (MEALS) in each Branch/Region with a focus on the main portfolios – Membership, Education, Administration, Lifesaving & Sport.

#### Risk

Surf Life Saving Queensland is committed to the mental and physical health and safety of our people, our visitors and others who work for and with us.

Our leadership is critical to promoting a safety culture that is inclusive, supportive and free from harassment, discrimination and bullying. Together we acknowledge our shared safety, values and responsibilities. To this end, SLSQ has been working on a number of key projects in the risk space.

- Implementation of dashboard reporting for member injuries and claims, provided quarterly to key stakeholders.
- Review of SLSQ Child Safety training with a view to simplify induction requirements for members. Futuristically, there will be a review of current policy and procedure relating to Blue Cards
- Implementation of Folio (GCRI Program) to monitor the SLSQ Risk register, Staff Incidents and Hazards and Policy updates.
- The SLSQ Risk Register will be updated this will divide the register into operational and corporate risks which will allow for greater ownership and oversight.

Our goal going forward will be to implement systems, documents and procedures to assist clubs in identifying, assessing and managing their risks.

As the accountable entity, Surf Life Saving Queensland believes in the positive impact of the beach, volunteerism and mateship and will work hard to maintain integrity as volunteers, emergency response personnel and members of the Australian Community.

#### Kerrie Barnes

General Manager - Ethical Standards and Enterprise Risk

## BUSINESS SERVICES **REPORT**

The performance of Surf Life Saving Queensland has again exceeded expectation and these results reflect the hard work and dedication of our staff and volunteers.

Whilst there has been significant organic growth contributing to performance, we have also growth through the purchase of Thundercat Inflatables on 1 July, 2022. Together we welcomed the staff as they assimilated into our organisation that now took on boat building as a new revenue stream.

The decision was made during the year to address the controlled entities within the SLSQ Group. The Cairns SLS Supporters Club Inc remained controlled until 31 October 2022 when effective control was transferred back to the members of Cairns Surf Life Saving Club through the appointment of a new management committee.

Control of Ripper Corp through SLSQ's 51% ownership of voting rights was sold to the minority shareholder on 29 March, 2023 whilst simultaneously acquiring a new drone training business being the Ripper Aviation Academy.

Surf Life Saving Queensland currently employs approximately 580 people across various facets of the business including lifeguards, helicopter pilots, marketing, community awareness, lifesaving, boat building, drone training, sport, finance and administration, education, human resources, risk and membership.

SLSQ continues to strive to be an employer of choice by providing flexible work arrangements through the ability to work remotely and by providing paid Parental Leave. Together with the recent appointment of a Diversity, Equity & Inclusion (DEI) Manager we continue to develop a meaningful DEI program and framework to deliver substantial change and impact across all facets of the organisation with a current workforce of 37% female with 39.1% in leadership positions.

In the technology space, we have continued to unlock further value through our technology solutions for all users through a major network infrastructure upgrade to CISCO platform which facilitates configuration and security from a single cloud-based interface. We also conducted data migration from a network file share environment to the cloud thereby enhancing network access across multiple devices. In our efforts to improve communications with our volunteers

we have expanded the rollout of SLSQ's credentials (email accounts) for volunteer Officers and Advisors which now facilitates direct collaboration on SLSQ resources utilising the SharePoint platform.

Through our Facilities team we maintained momentum across many priority projects for both club and SLSQ. The purchase of real estate in Mermaid Beach will a game-changer for our Gold Coast regional office. By securing tenure to real estate we own we can invest in our facilities for the future. We value the work we do in providing facilities fit for purpose for our volunteers and staff and we see this work increasing as we implement our strategic priorities in this space.

Our financial insights continued to improve through further refinement of our financial reporting models. We continue to unlock the capability of the Power BI reporting suite for all decision makers.

Through the Helicopter Aviation division and with the support of Westpac Institutional Banking SLSQ secured the necessary finance for three new aircraft currently under contract. I'd like to formally thank Westpac formally for their support on this project.

Finally thank you to Directors of Finance Mike Kearney and Shane Mackenzie for your support in realising our strategic objectives together.

#### **David Nothard**

Chief Financial Officer / Company Secretary

### CORPORATE GOVERNANCE

With a membership base of 35,386, SLSQ is one of the largest volunteer-based community organisations in Queensland. Control of SLSQ is vested in the Board of Directors which is accountable to the State Council which, in turn, represents the members.

#### Role of the State Council

The State Council comprises the SLSQ President and the six Branch Presidents. As the voting members of SLSQ, its duties include electing the Board and Life Members, and approving changes to the Constitution. Representing the interests of the six branches and, ultimately the clubs, the Council met on four occasions throughout the year.

#### Role of the Board and Committees

SLSQ's Board and Committee structure is critical to ensuring volunteer representation in key decisions and strategic planning. The various committees outlined on page 23 are established by the Board to assist SLSQ in the operational management of the volunteers. Where necessary, the Board can establish special purpose committees and panels to oversee the management of projects, programs or other initiatives.

The primary function of the Board is to govern and provide leadership to SLSQ, members, affiliated branches and clubs in accordance with the aims and strategic objectives of SLSQ, its Constitution, and the law. The Board is responsible for acting on all issues in accordance with SLSQ's objectives. It operates for the benefit of SLSQ, its members and the wider Queensland community.

#### **Role of Directors and Management**

SLSQ's CEO is tasked with managing the day-to-day business requirements of SLSQ, under the direction of the Board. The President is the nominated head of SLSQ and the SLSQ Board is responsible for the appointment of a CEO to manage and administer the organisation. The CEO is accountable to the Board and reports to the Board at each meeting. The CEO ensures the resolutions of the Board are properly and efficiently carried out, and transacts all business of SLSQ between Board meetings and general meetings of the Council.

#### **Board Composition**

SLSQ's Board comprises the President, the Deputy President, the Director of Finance, four Directors, up to two appointed Directors, the Company Secretary and the CEO, who is a non-voting member.

#### **Board Meetings and access to Management**

The Board meets at a minimum six times or as often as deemed necessary in every calendar year for the dispatch of business. At any time, five Directors may ask the CEO to convene a meeting of the Board and, subject to SLSQ's Constitution, questions at any meeting are decided by a majority of votes by the Board of Directors.

#### Code of Conduct

Nominees for Director positions are required to agree to SLSQ's 'Code

of Conduct' for Directors. Candidates must sign their acceptance to comply with this code on their nomination form. The Code of Conduct is contained within the Directors handbook, which is provided to all Directors upon their election at the Annual General Meeting.

#### Independenc

At the commencement of each Board meeting, the Chair asks for Directors to declare conflicts of interest in any agenda items.

The Council may elect up to two Appointed Directors each year.

Nominees for these positions shall be endorsed and recommended to the Council by the Board.

#### Independent Advice

SLSQ's Board and management are assisted in aspects of its operations with external advice.

Auditors Bentleys conduct an annual audit, providing the Board with independent assurance and advice on financial management matters.

Other consultants engaged by SLSQ in 2022/23 include:

- AccessEAP (Employee Welfare and Support)
- AEP Consulting (HR Consulting Services)
- Aviation Services (Aviation Operations)
- Beach & Surf Consulting Services (Media Services)
- Clubs Queensland (Licensed Club Operations)
- Community Sports Management (Government Liaison)
- Inner Circle Advisory Pty Ltd (Strategic Advisory)
- Lex Sportiva (Legal Services)
- Marsh (Insurance Advice and Services)
- McCullough Robertson Lawyers (Legal Services)
- MOQ digital (IT Services)

Repayment of borrowings		(752)	(47)
Net cash (used in)/generated from financing activities		(1,119)	5,151
Net increase/(decrease) in Cash and Cash Equivalents		(4,123)	(222)
Cash and cash equivalents at the beginning of the financial period		7,869	8,091
Cash and cash equivalents at the end of the financial period	4	3,746	7,869

The above consolidated statement of cash flows should be read in conjunction with the accompanying notes.

<sup>(</sup>b) The asset revaluation reserve records the revaluation of Land and buildings to fair value.

#### Surf Life Saving Queensland ABN 27 360 485 381

### Notes to and forming part of the Consolidated Financial Statements for the Year ended 30 June 2023

Surf Life Saving Queensland Limited - trading as Surf Life Saving Queensland (the 'Company' or the 'Entity') - is a public company limited by guarantee, incorporated and domiciled in Australia under the *Corporations Act 2001*.

The Company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The Directors' present the consolidated financial statements, comprising Surf Life Saving Queensland (SLSQ) and its controlled entities (the 'Group') for the year ended 30 June 2023.

The principal activities of the Company were that of the State's aquatic rescue authority. Our organisation encompasses several diverse arms – lifesaving and lifeguarding services, community education, membership services, aviation services, surf sports, fundraising and commercial training, with boat manufacturing and uncrewed aerial vehicle commercial training added during the year – but they all contribute to one overarching purpose to save lives.

The financial report was authorised for issue by the Directors on the date shown in the Directors' Declaration.

#### Significant changes in state of affairs

On 31 October 2022, control of Cairns Surf Life Saving Supporters Club Inc was transferred from the Group to Cairns Life Saving Club (Cairns SLC) for nil consideration. Cairns SLSC appointed a new Management Committee from this date with the ability to control the day to day finance and operations of the Supporters Club. At the same time the Company's representatives stepped down from the Management Committee. A gain was recognised on this transaction as the Group divested net liabilities of the Supporters Club.

On 1 July 2022, the Group acquired the trade and assets of Thundercat Inflatables Pty Ltd ("Thundercats"). The Group has assessed this transaction to be a business combination and accounts for Thundercats using the acquisition method.

On 29 March 2023, the Group sold its 51% interest in Ripper Corp to its minority partner, TRG Impact Pty Ltd. The consideration received was the trade and assets of the Ripper Aviation Academy, less loans, interest and other receivables owed to the Group. The Ripper Aviation Academy is accounted for using the acquisition method.

Note 1: Summary of significant accounting policies

#### (a) Basis of preparation

This general purpose financial report has been prepared in accordance with Australian Accounting Standards – Simplified Disclosures of the Australian Accounting Standards Board for distribution to the members to fulfil the financial reporting requirements under the Australian Charities and Not-for-profits Commission Act 201 2.

Australian Accounting Standards set out accounting policies that the Australian Accounting Standards Board has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The accounting policies adopted are consistent with those of the previous year.

The financial statements have been prepared on an accrual basis of accounting using historical cost accounting conventions, unless state otherwise, and using the going concern assumption. Cost is based on the fair values of the consideration given in exchange for assets. Assets stated at fair value include revalued property, plant and equipment, financial instruments - fair value through profit or loss and financial instruments - fair value through other comprehensive income.

The financial report is presented in Australian dollars (\$).

Foreign currency transactions are translated into Australian dollars using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at financial year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

The Company is a kind referred to in the ASIC Corporations (Rounding in Financial Reports) Instrument 2016/191 and in accordance with that instrument, amounts in the financial report have been rounded to the nearest thousand dollars, unless otherwise stated.

#### (b) New accounting standards and interpretations

#### Changes in accounting policies, new and amended standards and interpretations

The Group has adopted all of the new, revised or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting year, including those discussed below:

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the amounts recognised in prior years and are not expected to significantly affect the current or future periods of the Group.

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

Note 1: Summary of significant accounting policies (continued)

#### (c) Principles of Consolidation

The consolidated financial statements incorporate all of the assets, liabilities and results of the parent (Surf Life Saving Queensland) and all of the controlled entities. The parent controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The results of Cairns Supporters Life Saving Club and Ripper Corp are classified as discontinued operations of the Group and are presented separately from continuing operations in Note 6. Comparative figures in the income statement and related notes have been restated accordingly.

The assets, liabilities and results of all subsidiaries are fully consolidated into the financial statements of the Group from the date on which control is obtained by the Group. The consolidation of a subsidiary is discontinued from the date that control ceases. Intercompany transactions, balances and unrealised gains or losses on transactions between group entities are fully eliminated on consolidation. Accounting policies of subsidiaries have been changed and adjustments made where necessary to ensure uniformity of the accounting policies adopted by the Group.

#### (d) Current versus non-current classification

The Group presents assets and liabilities in the consolidated statement of financial position based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the Group's normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is current when:

- It is expected to be settled in the Group's normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other assets and liabilities as non-current.

#### (e) Cash and cash equivalents

Cash and short-term deposits in the statement of financial position comprise cash at banks, cash on hand and short-term deposits with a maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits as defined above, net of outstanding bank overdrafts if applicable.

#### (f) Financial instruments

#### Initial recognition and measurement

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Trade receivables are initially measured at the transaction price if the trade receivables do not contain a significant financing component.

#### Note 1: Summary of significant accounting policies (continued)

#### Classification and subsequent measurement

Financial liabilities, which consist of trade and other payables and lease liabilities, are subsequently measured at amortised cost.

#### Financial assets

Financial assets, consist of trade and other receivables and equity and debt/hybrid instrument investments.

Trade and other receivables, which generally have thirty day terms, are subsequently measured at amortised cost less an allowance for impairment.

For equity instruments not held for trading, or not contingent consideration recognised by an acquirer in a business combination to which AASB 3 applies; at initial recognition, the Group may elect to make an irrevocable election to measure the equity instruments in other comprehensive income (OCI), while the dividend revenue received on underlying equity instruments will still be recognised in profit or loss.

The Group classifies the following investments as financial assets at fair value through profit or loss (FVPL):

- Investments that are held for trading; and
- Equity investments for which the Entity has not elected to recognise fair value gains and losses through other comprehensive income (OCI).

#### Derecognition

#### Derecognition of financial liabilities

A liability is derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

#### Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- The right to receive cash flows from the asset has expired or been transferred;
- All risk and rewards of ownership of the asset have been substantially transferred; and
- The Group no longer controls the asset (i.e. it has no practical ability to make unilateral decisions to sell the asset to a third party).

#### Derecognition of financial liabilities

A liability is derecognised when it is extinguished (i.e. when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

Note 1: Summary of significant accounting policies (continued)

#### Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- The right to receive cash flows from the asset has expired or been transferred;
- All risk and rewards of ownership of the asset have been substantially transferred; and
- The Group no longer controls the asset (i.e. it has no practical ability to make unilateral decisions to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss. On derecognition of a financial asset at fair value through profit or loss, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

On derecognition of an investment in equity which was elected to be classified under fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to

#### **Impairment**

The Group recognises a loss allowance for expected credit losses.

The Group uses the simplified approach to impairment, as applicable under AASB 9: Financial Instruments. The simplified approach does not require tracking of changes in credit risk at every reporting period, but instead requires the recognition of lifetime expected credit loss at all times. This approach is applicable to trade receivables.

In measuring the expected credit loss, a provision matrix for trade receivables is used taking into consideration various data to get to an expected credit loss.

#### (g) Property, plant and equipment

Plant and equipment are stated at cost, net of accumulated depreciation and any accumulated impairment losses. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

Land and buildings are valued at fair value having regard to their highest and best use. See Note 11 for further details of valuations. This was the first year that Land and buildings were held at fair value, with the cost model applied in the prior year.

Depreciation is calculated over the estimated useful life of the assets as follows:

Class of Assets	Depreciation method	Depreciation Rate / useful life
Buildings	Straight-Line	2.50%
Leasehold improvements	Straight-Line	Life of associated lease
Plant and equipment – Other	Straight-Line	10%-40%
Plant and equipment – Helicopter (components)	Usage – operating hours	1,000 – 5,000 hours
Plant and equipment – Helicopter (other)	Straight-Line	6.67%-50%

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

#### **Impairment**

The carrying values of property, plant and equipment are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired. The recoverable amount of property, plant and equipment is the higher of fair value less costs to sell and value in use.

Impairment exists when the carrying value of an asset or cash exceeds its estimated recoverable amount. The asset is then written down to its recoverable amount. Impairment losses, if any, are recognised in the statement of comprehensive income as a separate line item.

#### Note 1: Summary of significant accounting policies (continued)

#### Derecognition and disposal

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. Any gain or loss arising on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

#### (h) Intangible assets

Intellectual property acquired outside a business combination is recognised at cost. Intangible assets acquired in a business combination are recognised separately from goodwill and capitalised at fair value as at the date of acquisition.

#### Acquired in a business combination and or separately

Intangible assets include intellectual property. The Group had no capitalised intellectual property at 30th June 2023.

The useful lives of these intangible assets are assessed, and the asset is amortised over its useful life on a straight-line basis.

Intangible assets are tested for impairment where an indicator of impairment exists. Useful lives are also examined on an annual basis and adjustments, where applicable, are made on a prospective basis.

#### Goodwill

Goodwill is initially recorded when the purchase consideration for a business combination exceeds the fair value attributed to its nets assets at date of acquisition. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is not amortised.

Goodwill is tested annually for impairment, or more frequently if events or changes in circumstances indicate that the carrying value may be impaired

#### Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific assets to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

#### (i) Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter.

The Group has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of twelve months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

If ownership of the right-of-use asset is transferred to the Group, then the right-of-use asset is depreciated over its useful life.

#### (j) Employee benefit liabilities

#### Short-term benefits

Liabilities for salaries and wages, including annual leave and long service leave expected to be settled wholly within twelve months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

#### Long-term benefits

The liability for long service leave not expected to be settled within twelve months of the reporting date are measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to the expected future wage and salary levels, experience of employee departures, and periods of service. Expected future payments are discounted using market yields at the reporting date on corporate bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

Note 1: Summary of significant accounting policies (continued)

#### (k) Lease liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in a rate used; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

#### (I) Revenue recognition

Revenue is recognised at an amount that reflects the consideration to which the Group is expected to be entitled in exchange for transferring goods or services to a customer.

Revenue is recognised at a point in time, when the transfer of promised goods or services to customers has been delivered.

Other revenue is recognised when the right to receive the revenue has been established.

All revenue is stated net of the amount of goods and services tax.

#### **Contributed Assets**

The Entity receives assets from the government and other parties for nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards.

On initial recognition of an asset, the Entity recognises related amounts being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer.

The Entity recognises income immediately in profit or loss as the difference between initial carrying amount of the asset and the related amounts.

#### Operating Grants, Donations and Bequests

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. If conditions are attached to the grant which must be satisfied before the Group is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When the Group receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15,

When both these conditions are satisfied, the Group:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the Group:

- recognises the revenue received in accordance with the recognition requirements of other applicable accounting standards;
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, the Group recognises income in profit or loss when or as it satisfies its obligations under the contract.

#### Capital Grant

Revenue received for capital grants is recognised upon acquisition of the underlying asset within the statement of comprehensive income.

When the Entity receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer) recognised under other Australian Accounting Standards.

The Entity recognises income in profit or loss when or as the Entity satisfies its obligations under terms of the grant.

Surf Life Saving Queensland ABN 27 360 485 381

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

#### Note 1: Summary of significant accounting policies (continued)

#### Interest Income

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

#### Dividend Income

The Entity recognises dividends in profit or loss only when the Entity's right to receive payment of the dividend is established.

#### (m) Taxes

#### Income tax

Surf Life Saving Queensland is exempt from income tax pursuant to Section 50-10 of the Income Tax Assessment Act 1997.

Surf Life Saving Queensland is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office to receive tax concessions.

Further, Surf Life Saving Queensland is endorsed as a Deductible Gift Recipient (DGR).

#### Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except:

- When the GST incurred on a sale or purchase of assets or services is not payable to or recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the revenue or the expense item or as part of the cost of acquisition of the asset, as applicable.
- When receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the ATO.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

#### (n) Interest-bearing loans and borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

#### (o) Fair value of assets and liabilities

The Entity measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

"Fair value" is the price the Entity would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability). In the absence of such a market, market information is extracted from the most advantageous market available to the Group at the end of the reporting year.

The fair value of liabilities and the Entity's own equity instruments (if any) may be valued, where there is no observable market price in relation to the transfer of such financial instruments, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and, where significant, are detailed in the respective note to the financial statements.

#### (p) Comparative figures

Where necessary, comparative information has been restated to conform with changes in presentation in the current year.

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

#### Note 1: Summary of significant accounting policies (continued)

#### (q) Financial risk management objectives and policies

Surf Life Saving Queensland's principal financial instruments comprise receivables, payables, cash and short-term deposits, lease liabilities, interest bearing loans and borrowings and investments held in equities. Surf Life Saving Queensland manages its exposure to key financial risks in accordance with the financial risk management policy.

The main risks arising from Surf Life Saving Queensland's financial instruments are credit risk, liquidity risk and price risk. Surf Life Saving Queensland uses different methods to measure and manage different types of risks to which it is exposed. These include ageing analyses and monitoring of specific credit allowances undertaken to manage credit risk. Liquidity risk is monitored through the development of rolling cash flow forecasts. The Board reviews and agrees policies for managing each of these risks.

Credit risk arises from the financial assets of Surf Life Saving Queensland, which comprise cash and cash equivalents, trade and other receivables. Surf Life Saving Queensland's exposure to credit risk arises from potential default of the counter party, with a maximum exposure equal to the carrying amount of these instruments.

Surf Life Saving Queensland trades only with recognised, creditworthy third parties, and as such collateral is not requested nor is it Surf Life Saving Queensland's policy to securitise its trade and other receivables. In addition, receivables balances are monitored on an ongoing basis with the result that Surf Life Saving Queensland's exposure to bad debts is not significant. There are no significant concentrations of credit risk within Surf Life Saving Queensland.

Liquidity risk arises from the timing differences between cash inflows and cash outflows. Surf Life Saving Queensland's objective is to maintain a balance between continuity of funding and flexibility. The Board has in place working capital and reinvestment targets and regularly monitors forward cash flow forecasts.

Equity securities price risks arise from investments in equity securities. To limit this risk Surf Life Saving Queensland diversifies its portfolio in accordance with limits set by the Board in conjunction with its investment fund manager Wilsons; who report and present to the Board quarterly. The majority of the equity investments are of a high quality and are publicly traded on the ASX and other internationally recognised exchanges. The price risk appears immaterial in terms of a possible impact on other comprehensive income and as such a sensitivity analysis has not been completed.

Primary responsibility for identification and control of financial risk rests with the Board. The Board reviews and agrees policies for managing each of these risks identified.

#### (r) Going Concern

At 30 June 2023, the Entity's current assets exceeded current liabilities by \$11.9m. All Investments have been reclassified from prior year from non-current assets to current assets. While the intention is to hold these for the medium to long term, they can be withdrawn at any time to meet liquidity requirements. On this basis, the directors have determined that the consolidated financial report should be prepared on a going concern basis.

#### Note 2: Significant accounting judgements, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

#### (a) Estimation of useful lives or assets

The estimation of the useful lives of assets has been based on historical experience as well as manufacturers' warranties (for plant, equipment and helicopters) and lease terms (for leased equipment). In addition, the condition of material assets is assessed at least once per year and considered against the remaining useful life. Adjustments to useful lives are made prospectively, if required.

#### (b) Impairment of leasehold improvements

There were no impairment indicators for property, plant and equipment for the Group and therefore the impairment expense was nil for the current year (2022: Snil).

#### (c) Impairment of helicopter equipment, including rotable equipment

In the current financial year, no additional impairment was recognised on helicopter assets contained within the plant and equipment class of property, plant and equipment (2022: \$nil). A review of all helicopter assets was performed, resulting in the reversal of some impairment recognised in previous years and the disposal of some assets that had previously been impaired. The remaining impairment balance is nil.

#### (d) Recognition of revenue

When assessing revenue, management exercises judgement to determine whether the performance obligation is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature/type, cost/value, quantity and the period of transfer related to the goods or services promised.

#### (e) Trade and other receivables

As disclosed in Note 7, management exercises judgement in measurement of the expected credit loss allowances for trade and other receivables.

#### Note 3: Revenue and Expenses

#### Note 5 Acquisition of business

#### 5.1: Acquisition of the Ripper Aviation Academy

On 29 March 2023, SLSQ acquired 100% of the trade and assets of the Ripper Aviation Academy, a drone pilot training business, from Ripper Corporation Pty Ltd (Ripper Corp).

In return for the trade and assets of the Ripper Aviation Academy, SLSQ transferred its 51% interest in Ripper Corp to TRG Impact Pty Ltd (an investment with a value of \$1.27m) and released Ripper Corp from its obligations to repay loans, related interest and trade debtors (\$1.27m) to SLSQ. TRG Impact became the 100% owner of the residual Ripper Corp business. The investment had a value of \$1.27m.

No further consideration is payable for the acquisition of the Ripper Aviation Academy.

#### Note 5.2: Acquisition of Thundercat Inflatables

On 1 July 2022, Surf Life Saving Queensland acquired the trade and assets of Thundercat Inflatables Pty Ltd (Thundercats) for a consideration of \$1.0m, less employee liabilities of \$35k. Thundercats is a manufacturer of inflatable rescue boats for clubs and other customers across Australia.

There is an additional deferred consideration of \$0.2m payable on 1 July 2024, if certain conditions are met. It is considered probable that the additional deferred consideration will be paid and it has been recognised as a liability.

	\$'00

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

#### Note 6 Discontinued Operations

#### 6.1: Cairns Surf Life Saving Supporters Club

On 31 October 2022, a new Management Committee for Cairns Surf Life Saving Supporters Club ("Cairns Supporters Club") was appointed from the Cairns Surf Life Saving Club (Cairns SLSC) members. Cairns SLSC became the beneficial owners of Cairns Supporters Club, and control transferred to Cairns SLSC from SLSQ (who previously controlled the Management Committee by representation of SLSQ Board members and senior management).

A lease for the premises at 135 Williams Esplanade, Palm Cove was terminated on that date, releasing Cairns Supporters Club from its obligations and ownership of all equipment transferred to Cairns SLSC.

At the same time, SLSQ released Cairns Supporters Club from its obligations under a \$7.6m loan made to fund the redevelopment of premises at Palm Cove. The loan had previously been fully impaired by SLSQ.

#### **Results of discontinued operations**

2023 \$'000	2022 \$'000
1,574	3,315
(496)	(993)
(433)	(1,133)
(271)	(789)
(105)	(204)
(46)	(153)
150	-
373	43
	150

For the consolidated entity, the net liabilities disposed of by SLSQ comprise of the balance sheet of Cairns Supporters Club after the forgiveness of the outstanding loan to SLSQ.

There was no consideration paid to SLSQ.

#### 6.2: Ripper Corporation Pty Ltd, trustee for the Ripper Unit Trust (Ripper Corp)

On 29 March 2023, SLSQ sold its 51% interest in Ripper Corp to TRG Impact Pty Ltd (TRG). TRG gained 100% of control of Ripper Corp on this date. The consideration for SLSQ's 51% share of Ripper Corp was the trade and assets of the Ripper Aviation Academy, which were valued at \$2.5m on the transaction date. On this date, SLSQ also released Ripper Corp from its obligations under a loan, including outstanding interest, payable to SLSQ of \$1.3m. Therefore, the net consideration recognised was \$1,274k for the sale of SLSQ's 51% interest in Ripper Corp.

See Note 5 for more details on the acquisition of the Ripper Aviation Academy.

#### **Results of discontinued operations**

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

#### Note 11: Property, Plant and Equipment (continued)

#### (c) Revaluation of land and buildings

Surf Life Saving Queensland owns two properties that are currently in use for operations - 18 Manning Street in South Brisbane and 10 Cannan Street in Townsville.

The two properties have been revalued to their market value at 30th June 2023.

#### 18 Manning Street, South Brisbane

18 Manning Street was acquired by SLSQ in 1998. Since then, the land use surrounding the properties has changed significantly and the land has been revalued as a development site, being its highest and best use. The land and building were revalued by an independent valuer. This is the first year the assets have been revalued.

The land and building have been revalued to a fair value of \$18,500k and have a value of \$1,955k under the cost model, a revaluation surplus of \$16,554k

#### 10 Cannan Street, Townsville

A directors' valuation has been performed on the land and building at 10 Cannan Street, with advice from internal experts. A directors' valuation is considered appropriate given the recent acquisition and relative value of the land and building. This is the first year the assets have been revalued.

The land and building have been revalued to a fair value of \$662k and have a value of \$541k under the cost model, a revaluation surplus of \$122k.

Asset revaluation reserve	16,666	-	
	17,301	(1,532)	

The above should be read in conjunction with the Statement of Changes in Equity.

(a) The financial asset reserve records the revaluation of financial assets, classified as fair value through other comprehensive income.

(b) The Revaluation reserve records the revaluation of Land and buildings to fair value.

#### Note 21: Controlled Entities

SLSQ controlled the following subsidiaries for part of the financial year and the results have been included as discontinued operations (see Note 6), while the assets and liabilities have been deconsolidated in the current year:

- Cairns S.L.S. Supporters Club Inc (until 31st October 2022)
- Ripper Corporation Pty Ltd, trustee for the Ripper Unit Trust (until 28th March 2023)

The Cairns Surf Life Saving Supporters Club Inc (Cairns SLSSC) was a controlled entity until 31st October 2022. This was by way of control of the Management Committee through representation of Surf Life Saving Queensland Board Members and senior management, who had the ability to control the day to day finance, and operations of the Cairns SLSSC. Control was transferred to the members of Cairns Surf Life Saving Club from 1st November 2022 through the appointment of a Management Committee and the resignation of SLSQ Board Members and senior management.

Ripper Corp was a controlled entity in the period until 28th March 2023 through SLSQ's 51% ownership of the voting rights and executive managerial representation on the Board. These voting rights and management representation also allowed SLSQ to set business objectives, approve budgets and direct projects. SLSQ sold its controlling interest in Ripper Corp on 29th March 2023 and the rights attached to this, in exchange for the trade and assets of the Ripper Aviation Academy.

SLSQ has 100% ownership and voting rights interest in Surf Life Saving Services (Queensland) Pty Ltd, a non-trading entity.

#### Note 22: Capital Commitments

At 30 June 2023, the Group had capital commitments of \$46.7m (2022: \$43.8m) related to property, plant and equipment.

#### Note 23: Contingent Liabilities

Surf Life Saving Queensland had no contingent liabilities as at the reporting date which would have a material effect on the Company's financial statements as at 30 June 2023 (2022: \$Nil).

#### Note 24: Events after the reporting period

On 28 March, 2023, Surf Life Saving Queensland purchased two real estate lots at Mermaid Beach on the Gold Coast for a consideration of \$4m. Settlement occurred on 28 July, 2023.

On 26 July, 2023 Surf Life Saving Queensland entered into a bilateral loan facility agreement to fund the procurement of Aircraft, included in Capital Commitments (Note 22).

With the exception of the above matters, there have been no significant events occurring after the balance date which may affect either the Group's operations or results of those operations or the Group's state of affairs.

#### Note 25: Economic dependency

Surf Life Saving Queensland is dependent on state funds from the Queensland Fire and Emergency Services (QFES), as well as other sponsorship and commercial agreements. The existing QFES contract is in place until 30 June 2024 by which time the company will have addressed the Company's ongoing role in the delivery of these community services.

#### **Capital commitments**

At 30 June 2023, the Entity had capital commitments of \$46.7m (2022: \$43.8m) related to property, plant and equipment.

Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

Note 28: Related Party Transactions

#### **Related Parties**

The Group's main related parties are as follows:

#### a. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Group, directly or indirectly, including any director (whether executive or otherwise) of that Group is considered key management personnel.

For details of disclosures relating to key management personnel, refer to Note 29.

#### b. Other related parties

Other related parties include close family members of key management personnel and entities that are controlled or significantly influenced by those key management personnel, individually or collectively with their close family members.

#### c. Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

Mr Brad Russell is currently a director of Surf Life Saving Queensland. During the year, the Group received legal services totalling \$71,958 from McCullough Robertson Lawyers, an entity of which Mr Russell is a Partner.

Ms Carol Fox is currently the Deputy President of Surf Life Saving Queensland. During the year, the Group received presentation services totalling \$7,727 from Carol Fox & Co, a division of Life Performance Pty Ltd, an entity of which Ms Fox is a director.

Other than as disclosed above and the remuneration of the Key Management Personnel (as disclosed in Note 29), there were no other transactions with related parties during the year.

#### Note 29: Key Management Personnel Compensation

The totals of remuneration paid to key management personnel (KMP) of the Group during the period is as follows:

	Company	
	30 Jun 2023	30 Jun 2022
	\$	\$
Key management personnel compensation	1,987,692	1,205,943

#### Note 30: Financial Risk Management

The Group's financial instruments consist mainly of deposits with banks, short-term investments, held-for-trading financial assets, accounts receivable and accounts payable.

The carrying amounts for each category of financial instruments, measured in accordance with AASB 139: *Financial Instruments: Recognition and Measurement* as detailed in the accounting policies to these financial statements, are as follows:

	Note	Company	Group
		30 Jun 2023	30 Jun 2022

#### Notes to the Consolidated Financial Statements for the Year ended 30 June 2023

#### Note 31: Fair Value Measurements

The Group has the following assets, as set out in the table below, that are measured at fair value on a recurring basis after the initial recognition.

The Group does not subsequently measure any liabilities at fair value on a recurring basis.

The Group has no assets or liabilities that are measured at fair value on a non-recurring basis.

	Company 30 Jun 2023 \$'000	Group 30 Jun 2022 \$'000
Recurring fair value measurements		
Financial Assets		
Investments at fair value through profit or loss	3,425	3,065
Investments designated as at fair value through other comprehensive income	14,486	13,596
Total Financial Assets Recognised at Fair Value	17,911	16,661

- (i) For investments in listed shares, the fair values have been determined based on closing quoted bid prices at the end of the reporting period.
- (ii) For investments in unlisted shares, the fair values have been determined using a market approach using sector price-earnings ratio of similar sized listed entities.

#### Non-financial assets

Land and Buildings	19,162	
Total Non-financial Assets Recognised at Fair Value	19,162	

Land and Buildings were recognised at fair value for the first time in the current financial year. Details on the valuation basis and process are described in Note 11(c).

#### Note 32: Company Details

#### The registered office and principal place of business of Surf Life Saving Queensland is:

Surf Rescue House 18 Manning Street South Brisbane Qld 4101

#### Note 33: Members' Guarantee

The Group is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. The liability of the Members of SLSQ is limited. At 30 June 2023, the number of members was 6 branches. If the company is wound up, the constitution states that each Branch undertakes to contribute to the assets of SLSQ if it is wound up while a Member, or within one year after to be a Member, for payment of the debts and liabilities of SLSQ contracted before the time at which it ceases to be a Member, and the costs, charges and expenses of winding up and for an adjustment of the rights of 6 contributors among themselves, such amount as may be required not exceeding one dollar (\$1.00).

#### Directors' Declaration for the Year ended 30 June 2023

The Directors' of the Company of Surf Life Saving Queensland declare that:

- 1. The consolidated financial statements and accompanying notes, are in accordance with the Australian Charities and Not-for-profits Commission Act 2012, including:
  - a. complying with Australian Accounting Standards Simplified Disclosures (including the Australian Accounting Interpretations) and Corporations Regulations 2001; applicable to the Group; and
  - b. giving a true and fair view of the Group's financial position as at 30 June 2023 and of its performance for the year ended on that date.
- 2. In the Directors' opinion, there are reasonable grounds to believe that the Group will be able to pay all of its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors, and is signed for and on behalf of the Board by:

Gerard O'Brien

Director

Shane MacKenzie

Director

Dated this 18th Day of September 2023

#### SURF LIFE SAVING QUEENSLAND ABN 27 360 485 381

## AUDITOR'S INDEPENDENCE DECLARATION UNDER S 60.40 OF THE AUSTRALIAN CHARITIES AND NOT-FOR-PROFITS COMMISSION ACT 2012 TO THE DIRECTORS OF SURF LIFE SAVING QUEENSLAND

I declare that, to the best of my knowledge and belief, during the period ended 30 June 2023 there has been:

- (i) no contraventions of the independence requirements of the *Australian Charities and Not-for-Profits* Commission Act 2012 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

#### Report on the Audit of the Financial Report

#### Opinior

We have audited the financial report of Surf Life Saving Queensland and its controlled entities (the "Group"), which comprises the consolidated statement of financial position as at 30 June 2023 and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the period then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the director's declaration.

In our opinion the consolidated financial report of the Group is in accordance with the Division 60 of the *Australian Charities and Not-for-Profit Commission Act 2012*, including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2023 and of its performance for the period then ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosures and Division 60 of the Australian Charities and Not-for-Profits Commission Regulations 2013.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Group in accordance with the ethical requirements of the Australian Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration, which has been given to the directors of the Group, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Simplified Disclosures and the *Australian Charities and Non-for-Profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors are responsible for overseeing the Group's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A member of Bentleys, a network of independent advisory and accounting firms located throughout Australia, New Zealand and China that trade as Bentleys. A Member of Allinial Global — an association of independent account and consulting firms.

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SURF LIFE SAVING QUEENSLAND (CONTINUED)

#### Auditor's Responsibilities for the Audit of the Financial Report (Continued)

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- · Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation of the entities or business activities within the Group to express an opinion on the financial report.
- We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
