

Subject	Appointment of New Elected Director
Information	<p>We are pleased to announce the appointment of Tony See as an Elected Director of Surf Life Saving Queensland (SLSQ).</p> <p>Tony brings over 29 years of experience in business, financial and information systems advisory, risk management, and audit. As a Partner at KPMG, he has led major IT-enabled business transformation programs, helping organisations align their strategy, technology, and risk management to drive sustainable outcomes.</p> <p>A dedicated surf lifesaver for over 15 years, Tony is an active member of Currumbin SLSC and previously Rainbow Bay SLSC. His extensive experience in IT, governance, compliance, and financial management, combined with his passion for surf lifesaving, makes him an invaluable addition to the SLSQ Board.</p> <p>Tony has previously served as a Director of the Tattersalls Club Brisbane, where he contributed to governance, finance, and risk management committees. His leadership experience also extends to Chair and Treasurer roles at the Mary Lane Body Corporate Committee.</p> <p>We look forward to the contributions he will bring to SLSQ and the wider surf lifesaving community.</p>
