Information	<p>To compliment Surf Life Saving Queensland's (SLSQ) commitment to reflecting the communities we serve, our organisation partnered with Multicultural Australia, a leading non-profit organisation that champions the rights of new Queenslanders and promotes building a more welcoming Queensland through advocacy and community engagement.</p> <p>SLSQ are currently working on developing our <b>Culturally and Linguistically Diverse (CALD) Communities Action Plan 2025-2027</b> that will form the roadmap towards increasing awareness and participation within CALD communities.</p> <p>The initial phase of development involves SLSQ and Multicultural Australia working together to understand the current experience and barriers in engaging with multicultural communities. To assist with this understanding, we went out with a survey to gather feedback, and we thank all members who responded to this.</p> <p><b>The next phase is the facilitation of a series of focus groups with SLSQ members.</b></p> <p>We would like to invite you to attend a focus group, share best practices already being led by clubs and share any opportunities for improvement. Your input in this session will be highly valuable.</p> <p>Multicultural Australia's consultants will provide a safe and open space for conversation and all information discussed will be de-identified.</p> <p>We will provide four focus group sessions for members, and each individual can attend one session. Please note we may need to combine sessions depending on EOI's received.</p> <p>Focus Group dates to choose from are as below:</p> <ul style="list-style-type: none"> <li>• Tuesday 22 April – 6:00 pm – 7:30 pm</li> <li>• Wednesday 23 April – 6:00 pm- 7:30 pm</li> </ul>
