

Club & Branch Communication

Queensland

Subject	Information: Child Safe Standards – What Clubs Need to Do to Comply
Information	<p>Surf Life Saving Queensland has published guide to help Clubs understand and meet their obligations under the Child Safe Standards. These standards are designed to ensure that Clubs create environments where children feel safe, included, and supported at all times.</p> <p>The quick reference guide outlines each of the 10 Child Safe Standards, the Universal Principle relating to cultural safety for Aboriginal and Torres Strait Islander children, and the specific actions Clubs can take to embed these into their operations, governance, and culture.</p>
