

Club/ Branch Communication

Name	WorkCover Team
Subject	Logging Member Injuries
Information	<p>There have been a significant amount of member injuries being logged that SLSQ WorkCover team have been assessing to ensure the correct injuries go to claim.</p> <p>For any injuries sustained during lifesaving activities, please provide as many details as possible. Being specific about the Members full name, incident the occurred, location, and cause of the injury is essential. This information helps us assess injuries accurately and ensures we're following the proper WorkCover procedures.</p> <p>Please complete the injury report promptly and with as much detail as possible. Clear information helps us support our Members effectively and minimises any delays in the process.</p> <p>Thank you for helping us maintain a safe and supportive environment for all Members</p>
