## WELCOME TO THE SURF LIFE SAVING QUEENSLAND WESTPAC LIFESAVER RESCUE HELICOPTER SERVICE!

Are you curious about the incredible work our lifesaving helicopter service does for the community? Step into our world by visiting our hangar, where you can experience firsthand the heart and soul of our operations—the community's eyes in the sky.

### DISCOVER THE HANGAR EXPERIENCE

Embark on a guided tour of our facility, where you'll delve into the daily operations that keep our helicopters ready to respond to emergencies. Engage with our dedicated aircrew and team members, gaining valuable insights into the vital role they play in saving lives.

### ENHANCE YOUR VISIT WITH MORNING TEA

Complement your tour with a delightful morning tea, providing the perfect opportunity to relax, connect, and share experiences. It's not just a tour; it's a chance to be part of the lifesaving community.

## TOUR INFORMATION

Hangar tours last approximately 45-60 minutes, and those opting for morning tea can linger for an additional 30 minutes.

Our tours are available Monday to Friday, providing a flexible schedule for you and your group. \*
