

*Good morning,*

*On behalf of the State Lifesaving Committee, SLSQ would like to notify all clubs on positive news regarding club owned RWC's.*

*Starting at the beginning of the 24/25 patrolling season, any club's that own an RWC can utilise it for water safety, instead of an IRB, but must ensure that the use of it aligns with the [SLSA Water Safety Policy](#) and adheres to the [SLSQ Powercraft Safety Management System](#).*

*If you have any questions or concerns, please reach out to your relevant Branch Supervisor.*

*Kind regards,*

*The Lifesaving Team*
