

ADVANCING WOMEN IN LEADERSHIP PROGRAM 2027

Facilitated by Michelle Redfern. Michelle is an award-winning advisor, experienced speaker, panellist & facilitator.

Join us for a unique leadership development program designed to support women in lifesaving. We aim to retain current leaders and support those who want to step into leadership roles with clarity, courage and credibility. The program includes a mix of online and face-to-face experiences and is facilitated by Michelle Redfern, an award-winning advisor, experienced speaker, panellist and facilitator.
