

Club/ Branch Communication

Queensland

Name	Surf Life Saving Australia
Subject	Update to BOC Oxygen Cylinders
Information	BOC is launching the new INHALO® 400CC oxygen cylinder to replace the current INHALO® 400CD oxygen cylinder in Queensland. The product has updated in the SLSA Gear & Equipment List and inside the SLSQ Patrol Operations Manual. This oxygen cylinder is smaller than the current ones, so please note you will have approximately 10mins less oxygen time than previously.
